re: **MUR 7514**

To the Commission:

No action should be taken against Ron DiNicola for Congress regarding this matter. The campaign had nothing to do with creating or enforcing the neutral criteria under which this debate was held. Moreover, as a factual matter, the campaign did not object to Mr. Beeman's being included within the debate. (See attached email.) We take no position with regards to the remainder of the complaint, but it should be dismissed as to DiNicola for Congress.

Very truly yours,

Hi Jezree,

Hope all is well. I just wanted to raise a couple of points about the debate.

We object to the failure to include an opening statement and are asking the organizers of the debate to seriously consider including at least a 2-minute opening statement.

Also, we have no opposition to the inclusion of Ebert Beeman in the debate.

Best,

Tony
