Ms. Dennis,

I am the Executive Director of the Montana Mining Association. On October 29, 2018, we received your letter notifying us that a complaint was filed against us with the Federal Election Commission. In order to review the factual and legal issues presented in the complaint, we respectfully request a 30-day extension to respond. Our response is currently due today. A 30-day extension would make our response due on December 13, 2018.

Please do not hesitate to contact me if you have any questions. Please let me know that you have received this extension request.

Sincerely,

Tammy Johnson
