Re: MUR 7537: Care in Action

Dear Mr. Kitcher and Mr. Campbell:

We are writing on behalf of respondent Care in Action to request an enlargement of time within which to respond to Mr. Kitcher's November 2 letter informing Care in Action about the Commission's October 4, 2021, reason-to-believe finding and subsequent activity by the Office of General Counsel – the Commission's first notice to Care in Action concerning this matter.

Care in Action received the letter and its attachments by U.S. mail on Tuesday, November 8. Although the letter shows that it was also emailed to Care in Action General Counsel Christina Obiajulu-Skinner, she has not received an email with the letter and attachments.

Care in Action needs time to review these materials, search its records, consult with its staff and others, and consider and prepare an appropriate response. Due to various other professional commitments (some delayed by the election), post-election travel plans, and the various impending holidays, we respectfully request a 30-day extension of time to respond from November 23 to December 23. Thank you for your consideration.

Yours truly,

Laurence E. Gold
