Hi Christal,

I would like to request a 15-Day extension to respond to VIGOP's AR 17-11R. The FEC letter was received by me on January 11th and if the extension is approved, the response due date would become February 10th.

This extension is required as I am currently finalizing several Year-End 2017 FEC Reports and have not yet had a chance to work on AR 17-11R. Thank you for considering this request.
