Re: MUR 7572
Response to Supplement to Complaint

Dear Mr. Jordan:

Eric Ryan submitted a supplement to his Complaint in which he alleges that documents were shredded at Party headquarters after he submitted his FEC Complaint. Mr. Ryan's supplement to his Complaint does not make any reference to me and does not in any way have anything to do with any actions taken by me. Among other matters, I was not involved in any document shredding referred to by Mr. Ryan. Furthermore, Mr. Ryan's reference to document shredding seems meaningless. Among other matters, as a good business practice any organization, including the Hawaii Republican Party, should take care to protect sensitive information which has the potential for being misused if it falls into the wrong hands; in particular, member's personal information in regards to identity theft. I have no information to suggest that any document shredding which took place at Hawaii Republican Party headquarters was done to hide evidence from the FEC.

Respectfully,

A handwritten signature in black ink that reads "Celyn Chong Kee".
