RE: **FEC COMPLAINT ABOUT CAMPAIGN FINANCES**

March 11, 2019

To Whom It May Concern:

**COMPLAINT/INVESTIGATION REQUESTED:**

Alexandra Ocasio-Cortex

Campaign Manager Saikat Chakrabarti (Justice Democrats founder)

Saikat opened 2- Political Action Committees and illegally funneled over \$1 million dollars in political donations into two of his private companies.

Chakrabarti and Ocasio-Cortex never disclosed to the FEC, that she and the chief of staff, who also served as her campaign chair controlled these PACS while supporting her efforts to become a member of congress in her primary campaign. This is in direct violation of FEC guidelines and regulations. PACS are suppose to be independent of candidates.

As I understand this it is comingling between financial a well as staff between the PAC and the campaign, excessive contributions that exceed the limit that is allowed, failure to disclose where these donations originated from and attempts to conceal the donations from the FEC.

Sincerely

*Sheila A Oxsher*
