Re: MUR7581

I am writing in response to the letter dated 03/20/2019 about the case MUR7581.

I have carefully reviewed the information provided to me in this letter, and i would like to make an explanation about this case.

The records shown that i have made a donation to Trump Victory Committee on the February 2018 with the value of \$5,600. I would like to declare that this is a voluntary donation as i would like to show my support to the president. Also, to show contribution to the society to have a better future. This is regardless of other people's decision and i just want to show my supports to the country that i love.

Please adjust your records to reflect this and do not hesitate to contact me at the address listed above with any additional questions. Many thanks for your attention to this matter.

Sincerely,

Haizhen, Gong
