RE: MUR 7583

Dear Mr. Jordan:

The undersigned serves as legal counsel to Georgia Republican Party, Inc. and Mansell R. McCord, in his official capacity as Treasurer (collectively, "GAGOP"). This response is filed on behalf of the GAGOP to a complaint filed by Joseph Weinzettle on March 12, 2019 (the "Complaint"). The allegations in the Complaint are not supported by fact or law evidencing violations of the Federal Election Campaign Act of 1971, as amended (the "Act"), or Federal Election Commission ("FEC" or "Commission") regulations by the GAGOP. Put simply, the claims that the GAGOP solicited, received, or accepted contributions from a foreign national are based in fantasy and should be dismissed without any further consideration.

As an initial matter, the Complaint does not include a clear and concise statement of the facts upon which the alleged violations are based.¹ The Complaint is based on disconnected, vague statements, concluding that the GAGOP and Kemp for Governor, Inc. ("KFG") received contributions from foreign nationals. Moreover, the Complaint states that certain GAGOP vendors are actually Russian shell companies, but Mr. Weinzettle does not identify any source of

¹ See 11 C.F.R. § 114.4(d)(3) (the complaint "should contain a clear and concise recitation of the facts which describe a violation of a statute or regulation over which the Commission has jurisdiction.").

information that supports his belief in the truth of those statements.² Given the ambiguous and unsupported statements in the Complaint, the Commission should also dismiss the Complaint as procedurally defective.

BACKGROUND

The Georgia Republican Party, Inc. is a political party under the laws of the State of Georgia³ and is registered with the FEC and Georgia Government Transparency and Campaign Finance Commission ("State Ethics Commission"). During the 2018 election cycle, the GAGOP made expenditures for printing, direct mail, media buys, digital marketing, canvassing, campaign consulting, and other ordinary expenses.⁴ The GAGOP correctly and accurately reported those expenditures, including the expenditures referenced in the Complaint.⁵

According to the Complaint, the GAGOP purportedly made payments to "a *potential* Russian shell company ("Medium Buying, LLC")" in 2018, which "*likely* secured the services of Internet Research Agency, LLC ("IRA") and Federal News Agency, LLC ("FAN"). (Compl. at ¶ 2.) (emphasis added). The Complaint further states that the GAGOP and KFG "*appear* to have paid for IRA and FAN services through multiple shell companies and political consultants." (Compl. at ¶ 3.) (emphasis added). Noticeably absent from the Complaint are any facts or information substantiating Mr. Weinzettle's statements that the vendors are illegitimate businesses or Russian shell companies.

The Complaint references payments by the GAGOP to Medium Buying, LLC, Majority Strategies, Inc., and September Group, LLC. (Compl. at 1-2.) Medium Buying, LLC provides media buying services,⁶ which is disclosed in the GAGOP's disclosure reports. September Group, LLC was retained by the GAGOP to provide voter canvassing services,⁷ as the GAGOP's disclosure reports indicate. Finally, Majority Strategies, Inc. has been providing advertising services in Georgia for various organizations since at least 2008.⁸ Nothing in the Complaint

² See 11 C.F.R. § 114.4(d)(2) ("Statements which are not based upon personal knowledge should be accompanied by an identification of the source of information which gives rise to the complainant's belief in the truth of such statements.").

³ See O.C.G.A. § 21-2-2(25).

⁴ Copies of all state disclosure reports filed by the GAGOP with the State Ethics Commission are available online at http://media.ethics.ga.gov/search/Campaign/Campaign_ByName.aspx.

⁵ Attached as Exhibit A are the GAGOP's disclosure reports accurately identifying legitimate expenditures for services of Medium Buying, LLC, Majority Strategies, Inc., and September Group, LLC.

identifies any sources of information to support Mr. Weinzettle's belief that any of these entities is a foreign national or a conduit for payments to a foreign national.

LEGAL DISCUSSION

The Complaint alleges that the GAGOP and KFG "accepted substantial foreign contributions" from IRA and FAN in violation of 52 U.S.C. § 30121. (Compl. at ¶ 10.) The Complaint does not contain any allegations that the GAGOP knowingly solicited, accepted, or received any contributions from a foreign national. Furthermore, the Complaint does not contain a clear and concise recitation of the facts which describe a violation of the Act or identify the sources of information which give rise to Mr. Weinzettle's belief that the GAGOP made payments to foreign nationals in violation of the Act, making the Complaint procedurally deficient.⁹

Notwithstanding the Complaint's vague and ambiguous claims, to violate 52 U.S.C. § 30121, an individual must solicit, accept, or receive the impermissible contribution by a foreign national.¹⁰ The Complaint references various *expenditures* by the GAGOP during the 2018 state elections in Georgia. It is unclear how Mr. Weinzettle has concluded that the referenced expenditures were payments to Russian shell companies, but such conclusions are incorrect and baseless. The GAGOP's expenditures were for legitimate services, which are accurately described in the GAGOP's disclosure reports. There is absolutely no evidence or reasonable basis to suspect that any of the vendors paid by the GAGOP were foreign nationals.

CONCLUSION

The Complaint is procedurally deficient and does not purport to allege a violation of the Act by the GAGOP, and there are no facts which show otherwise. Accordingly, the GAGOP should be immediately dismissed from this matter. Should the Commission need anything further, please do not hesitate to contact me.

Sincerely,

Vincent R. Russo
