Good Morning Ms. Ross – Thank you for your reply and understood. We are currently having the necessary designations of counsel signed by the Treasurers for Bill Flores for Congress and Brady for Congress and we will submit these to you today.

Please note, we should also have blanket designations on file for the following committees and, to the extent this accords with your records, respectfully request an extension of the filing deadline:

Ted Cruz for Senate  
Hawley for Senate  
Armstrong for Congress

Thank you,

Mike G.
