Kristina,

Thank you for taking my call and for sending these documents again.

Below is the additional information I was talking with you about.

Back Story...

For the last 5 years I have been attacked, harassed at work, church, online, had property damaged, and had countless FALSE allegations made against me by my mom and dad. My brothers Adam Price and Jonathan Price have also been the focus of their attacks. Adam and I are owners in Mako. Jonathan moved to Miami to avoid the relentless attacks.

Mike Reece is the attorney that handled everything.  
Georgia Bess case worker for Jessica the last 10 years  
Judge Holcomb is one of the Judges familiar with the case.

Both can share with you the countless claims they have made against me and how they will say or do anything to harass me for getting guardianship.

False claims in the documentation my parents provided to you....

Claim I stole the identity of my sister. My parents claim I stole Jessica's identity. I was awarded full unrestricted nonlimited guardianship of Jessica with control over banking, finances, housing, healthcare, retirement, medical needs, and other day- to-day needs. The candidates said it was ok. I even did research online and it appeared I was authorized to make a donation on her behalf. If I have made mistake—I will immediately ask the campaigns to refund these donations. Immediately.

Claim that it is illegal or suspicious if donations are made to candidates in other states. Completely false.
