RE: P-MUR 609

Dear Mr. Jordan:

This is the second letter in response to your June 21, 2018 letter notifying me "that Alter City Group Holdings Limited may have violated the Federal Election Campaign Act of 1971." As indicated in the initial letter, we have diligently searched our financial records for any checks or wire transfers that could be associated with Ralph Torres, Angel Demapan, the Lady Diann Torres Foundation, and the Friends of Ralph non-profit organizations. Despite our efforts we can find no such transaction. And, we certainly have no knowledge or information that the above-referenced non-profits may have funneled money to campaigns.

My goal is to work with you and the FEC to resolve this matter. Any further information you can share concerning possible direct or indirect donations from this company is appreciated. Without this information we simply do not know what else to say. And because of this, our request for additional time remains. Please feel free to contact me and let me know the next step.

Respectfully,

Ian Leong
Group Vice President
