MUR # 7625

Mary deBeau
Office of General Counsel
Federal Election Commission
1050 First Street NE
Washington, D.C. 20463

Mary deBeau,

I have reason to believe that Joey Nations, a recently-filed Republican candidate for Oregon's 5th Congressional District in the 2020 election, may have violated federal elections and/or campaign finance laws. Consider the following:

1. In 2018, Joey Nations ran unsuccessfully for the Republican nomination for Congressional District 5.

Source: https://ballotpedia.org/Joey_Nations

2. For that 2018 campaign, Joey Nations used the address 1130 Nebraska Ct. NE, Salem OR 97301 in one or more FEC election filings, designating "Joey Nations for Congress" (same address) as his Principal Campaign Committee in a Form 2 that he signed and submitted on 03/06/2018.

Source: <https://docquery.fec.gov/cgi-bin/forms/H8OR05206/1212617>

3. Joey Nations was listed as a 2018 candidate on the FEC website, indicating that he knew how to properly file as a congressional candidate and did so at that time.

Source: <https://www.fec.gov/data/elections/house/OR/05/2018>

4. As of June 17, 2019, Joey Nations was not listed as a filed candidate for the 2020 election on the FEC website.

See **Exhibit A**

Mary deBeau
July 12, 2019
Page 2

5. On June 27, 2019, Joey Nations apparently filed a Form 2 to declare himself a candidate, seemingly after being notified by an unknown third party that a formal FEC complaint was to be filed against him. In a Facebook post on June 30th, 2019, “Joey Nations for Congress” preemptively claimed that “Delegates and officers of the Oregon Republican Party” are trying to attack his campaign by “falsely” reporting him to the FEC.

Source: <https://www.fec.gov/data/elections/house/OR/05/2020>

See **Exhibit B**

6. It is my understanding that Joey Nations’ 2018 candidate filing was valid only for the November 2018 election and was not in effect for the 2020 election until he filed it as legally required.

Source:

https://www.fec.gov/data/candidate/H8OR05206/?cycle=2018&election_full=true&tab=filings

7. In a Facebook post dated April 7, 2019, the “Joey Nations For Congress” page (@JoeyNationsForCongress) posted an update claiming that the campaign is “filing our first Federal Election Commission report”, detailing (a) Joey Nations’ claimed experience as a political lobbyist, (b) making a number of serious but unsubstantiated accusations against organizations I respect and people that I consider to be friends and people of integrity, (c) claiming to be a 2020 congressional candidate, (d) soliciting financial donations on that basis, and (e) attaching a cartoon that depicts him saying “America first bitch” as he slaps an advocate of foreign aid in the face. Note that Mr. Nations was not a filed 2020 candidate at this time.

Source:

<https://www.facebook.com/JoeyNationsForCongress/photos/a.142347736448014/320876948595091>

See **Exhibit C**

8. The Facebook page “Joey Nations For Congress” (@JoeyNationsForCongress) listed Joey Nations as a “Political Candidate” and solicited donations prior to his filing the required candidacy form. At best, this was misleading. At worst, that may represent a fraudulent and dishonest way of soliciting donations from unsuspecting voters and donors. The page lists the email address joey@joeynations.com and the website address <http://www.joeynations.com>. The website features a “Donate” button that leads to a page accepting donations for “Joey Nations for Congress”. The “Joey Nations For Congress” Facebook page has been actively representing Joey Nations as a 2020 candidate and soliciting donations for a 2020 campaign since at least **December 11, 2018** (see **Exhibit D**). There are numerous examples of this page promoting Mr. Nations’ candidacy and soliciting donations via that web site; if any of these posts are deleted, I can produce additional screenshots or testimony as needed.

9. In an April 2019 quarterly report, the “Joey Nations for Congress” committee filed an FEC Form 3, Schedule A, reporting receipt of \$1,000 from Kevin Conzo for the “2020 Primary” on 01/27/2019. See **Exhibit E**

Source: <https://docquery.fec.gov/pdf/191/201904120300272191/201904120300272191.pdf>

10. The Instructions for filing an **FEC Form 6** specify that an FEC Form 6 must be received by the federal filing offices “within 48 hours after a campaign’s receipt of any contribution of \$1,000 or more”.

Source: <https://www.fec.gov/resources/cms-content/documents/fecfrm6i.pdf>

11. When I searched in June, I was unable to find any record of an **FEC Form 6** filed by Joey Nations or “Joey Nations for Congress” that corresponds to the Kevin Conzo donation of \$1,000 on 01/27/2019.

12. It is my understanding from my friend Carol Zielinski that Joey Nations has been representing himself as a 2020 candidate, actively soliciting and receiving donations in person and online since on or around December 2018, prior to his filing as a candidate in June 2019. Carol can be reached by email at _____ or by phone at _____.

She can bear witness to this fact and/or refer you to other witnesses to Mr. Nations’ conduct.

13. In a Facebook post on Thursday, May 16th, 2019 at 1:24 PM, “Joey Nations for Congress” posted a photo of a poster/flyer for Keizer Fest (see **Exhibit F**). The post advertised the availability of 300 tickets for a “Rifle and Knife Raffle” to benefit “Nations 2020”. Tickets were priced at \$10 each, so this raffle had the potential to raise up to \$3000 in ticket sales alone. See **Exhibit G**, an image of one such ticket. Note that this photo (Exhibit G) seems to have been deleted from the “Joey Nations for Congress” Facebook page. I am unsure whether it was deleted by Joey, someone associated with his campaign, or by someone associated with Facebook. It is my understanding that Facebook considers it a violation of their terms to use their service for the purposes of promoting a firearm raffle. Did Mr. Nations purchase the firearm with his own money for the purposes of this raffle? Did someone else? Did the campaign properly report this and all associated donations?

14. Keizer Fest was held May 16-19, 2019.

Source: <https://keizerchamber.com/keizerfest-events/>

15. In a Facebook post on Thursday, May 30th, 2019 at 6:31 PM, “Joey Nations for Congress” posted an announcement of “Only 15 tickets left” for “our sweet raffle” (see **Exhibit H**). If true, this would mean that he has raised at least \$2850 in his “Rifle and Knife Raffle”. Have all of these donations been reported in compliance with federal law?

16. In a Facebook post on May 1, 2018, “Joey Nations for Congress” shared a copy of a letter to the FEC that was apparently written by the late Leo Stratton (see **Exhibit I**). According to the Portland Tribune, Mr. Stratton was killed in a truck accident approximately four months later, sometime before 2 a.m. on September 12, 2018.

Source: <https://pamplinmedia.com/pt/9-news/406334-304661-portland-truck-driver-dies-in-fiery-i-84-wreck>

In summary, I am concerned that Joey Nations and/or persons associated with the entity “Joey Nations for Congress” have been improperly raising money without filing the correct disclosure form(s) in a timely fashion and that he and/or the person or people posting to his social media accounts have been misinforming or deceiving potential and actual donors about the nature and timing of his candidacy and filings. If true, these omissions may represent violations of federal elections law.

At some point during Mr. Nations’ 2018 campaign, I expressed to him my concern that some of his campaign activities and practices, particularly over social media, ran the risk of violating various federal laws. Mr. Nations dismissed my concerns and did not remove the post that I believed to be improper. Mr. Nations was not receptive to my good-faith advice, responded negatively, and thereafter demonstrated a pattern of rudely dismissing the concerns of myself and others by derogatively referring to us as “the Republican establishment” and/or “the swamp”, insinuating without evidence that we are dishonest and/or corrupt. His actions as a Republican candidate reflect poorly upon himself and run the risk of harming the reputation of donors and activists who donate to him or his campaign, or otherwise associate with him or are perceived to be in alliance with him.

Please investigate Mr. Nations’ campaign activity, filings, donations, financial statements, social media posts, advertising, and public appearances. If I am correct that he has committed legal violations of this nature, please level whatever penalties you deem appropriate. Due to Mr. Nations’ experience as a 2018 candidate, I believe that he either knows or should have known the campaign laws that apply to him as a self-described 2020 congressional candidate.

I affirm that the contents of this letter and the attached exhibits are true and accurate to the best of my knowledge. Please contact me by mail or email at _____ with any questions or updates you may have relating to this matter.

Fighting The Swamp: I have a history of it! This post is long but stick with me. I'll tell you a story because we're filing our first Federal Election Commission report and it's exciting! Plus read our update for you on our grassroots campaign and detail Oregon's political establishment efforts (from BOTH parties) to stop our patriotic revolution. For the short story types, here's the spoiler - we win!! For those into details continue reading below.

Rewind to 2007, I was attending college at the University of Utah and working as an intern at the Utah State Senate. I was a Republican working for two old school Democrat Senators who focused on labor issues and anti-NAFTA legislation. It was eye opening to me as a Republican who had always heard the "NAFTA free trade" sales pitch. At the time, I didn't connect that bad trade deal with good manufacturing jobs emptying out of America. I learned though. I remember the Republican Senators laughing at the idea of lost jobs - goods were so cheap and profits high enough, they didn't care.

By 2008, I was working at a mixed political party lobbying firm who lobbied for the highest bidder - hired guns. We worked at the state and federal level with contracts and fundraising spanning the country and up to the level of the Clinton's and Obamas. I met and worked with people involved in the darkest circles of American politics. In 2009, I was forced to attend Obama's inauguration and was disgusted by the Democrat's plan for our Country. The years that followed only cemented my feelings. We had to fix this!

I worked at two lobbying firms during Obama's first term and my client list was national/international. I ran statewide political races. I also interacted with and saw the absolute WORST of the sausage making that we all know happens in D.C.. Within a few years I was sick and tired of watching my Country being sold down the river. I was involved in conservative political activism and was strongly opposed to Mitt Romney running against Obama in 2012. After his loss, I talked with my wife and we decided it was time for change. I couldn't work in that lobbying firm any longer and contribute to the corruption in American politics which brought Obama to office.

After some severe disagreements with the senior partners, I quit the lobbying firm and moved my family to Oregon after securing a position with the State. We moved here in 2012 because of the strong 2nd Amendment freedoms, balanced political landscape and beautiful landscape. Our focus

the state. We moved here in 2012 because of the strong 2nd Amendment freedoms, balanced political landscape and beautiful landscape. Our focus was on raising our young family and getting loosely involved with Republican politics in Oregon.

Despite my very strong political background, I was not very heavily involved in the political structure due to my knowledge of the vast corruption controlling it. I knew how strong and horrible the Koch Brothers were in their control of Republican politics and that included Oregon. Then in 2015, President Trump came down that escalator and changed my whole perspective. I told my wife the day he announced that he would win in 2016 because of his opposition to "popular Republican" positions and speaking to issues that EVERYONE talked about at home.

I felt reinvigorated and jumped back into politics 110%! I sought out the Oregon Republican Party. I volunteered for the Trump campaign and I did everything possible to get him elected. I supported him throughout the Republican primary. Fought for him online, in public, on the phone and attended his Oregon rally! The opposition I saw to him then in Oregon RINO circles was disheartening to me but I prayed for his success knowing they'd come along if he won. Then the day came Donald J. Trump became President Trump!!

From 2016 on, I tried to engage with and involve myself with the Oregon Republican Party (ORP) at every level. Despite many of their elected officials and leaders disliking our President even after his victory - I held out hope. President Trump had saved the Country and the National Republican Party, surely the ORP folks would see this and embrace him? As time continued and my involvement in the state party grew - so did my disappointment. Every fair booth I volunteered at and signatures I helped gather involved exposure to more and more RINOs. I had met one of the ORP candidates for Senate, Mark Callahan, and was not impressed given his horrible background of constant running and putting his family last. I met elected Republican representatives like Bill Post and Mike Nearman who can put on a good act but would NEVER put America First if it got in the way of their political ambitions. They'd rather take as much open border Koch Brother money as they can get and would've preferred a Jeb Bush presidency to a Trump presidency.

It's disgusting. After devastating losses for the ORP in 2016 (despite President Trump's victory) I met with top officials within the party many times offering ways they could increase their exposure and grow the voting base.

Everything was rejected. I watched as my county party shrank and state party continued to lose and shrink. I zeroed in on my Congressional Representative #CorruptKurt Schrader and his failures in representing us on illegal immigration in particular. Then thr 2017 and 2018 political races rolled around. I looked into Congressional District 5 and saw two Republican Candidates - Mark Callahan and Rob Reynolds.

Mark was a serial runner destined to lose to whatever Democrat he faced if he won the primary again and Rob was a party stooge encouraged to run by Bill Post. I decided - after being ignored by the party and told that putting America First was bad - to run in 2018 and try to save Congressional District 5. The Democrats resisted me heavily with hits in Willamette Week and Statesman Journal. But the ORP leadership resisted me more heavily and successfully got Mark Callahan elected in the primary to run against #CorruptKurt where he was destroyed. Due to his history - his staff abandoned him and he was beaten badly in an easy race but the ORP has continued to embrace him. Mark now serves as the vice-chair of the Clackamas County Republican Party and is very opposed to my 2020 campaign.

In fact, Mark Callahan and the ORP are so opposed to my America First campaign that they've recruited criminal and ex-gang member Angela Roman to run against me as a "candidate" in District 5 while they search for a serious candidate. She's not a serious contender. They're searching for another like Mike Nearman, Bill Post or another RINO who takes Koch Brother money and pretends to be tough on the issues. When your Republican Representatives big accomplishments are failed immigration initiatives, tax credits for anti-gun laws and taking Koch Brother money - you know it's time for change.

I am that change and it drives the Oregon Republican Party and Oregon Democrat Party CRAZY! I've had the Democrats attack my job, political activism and policies. I've had the Republicans attack my truth telling, my aggressiveness and willingness to fight for America First no matter what. My priority is you - the average working American and it drives the establishment CRAZY on both sides. It always has since my first days of being involved in politics. That's what my entire race for 2020 is all about - you!

My campaign for 2020 is actively resisted by the Oregon Republican Party, the Oregon Democrat Party and D.C. aligned globalists. If you didn't know - they recently kicked out a National Committee Chairwoman who supported me (Marylin Shannon) and have tried to unsuccessfully get me in trouble with the Federal Elections Commission (FEC) multiple times. Luckily, my campaign is supported by grassroots Oregonians, America First patriots and common sense voters of EVERY political background. My love for this State and Country will not change and neither will my priorities because my familie's future is here just like yours.

We are the BIGGEST threat to the Oregon and D.C. political establishment in 2020 because a strong patriotic ally for President Trump from Oregon - is a game changer!! If you read this whole thing, thank you for sticking with me and understanding that 2020 is so much bigger than you and me. We MUST WIN IN 2020 for AMERICA!! I am committed to #FightingForOregon and will blast through the establishment and any astroturf candidate they put up to resist the grassroots. We are Oregon's future and after we defeat #CorruptKurt Schrader in 2020 we'll introduce years of revolutionary patriotism in D.C. Constitutional carry, ending illegal immigration, infrastructure bills, protecting the unborn and so much more!! I cannot wait to get to work for all of you in D.C.!!

We are the future of Oregon's patriotic revolution and will win in 2020. Join us at our next events in Toledo, OR and Keizer, OR. Find the information on our @Joey Nations for Congress page. If you want to help keep us #FightingForOregon Please DONATE HERE: www.joeynations.com We have our first FEC filing this month and the swamp is panicking! Every dollar helps. Even if you cannot donate know that our campaign will continue to fight for you and all the America First issues that we prioritize. See you all on the campaign trail and thank you for your commitment to our state and Country fellow Patriots!

Yours in liberty,

Dear Federal Election Commission,

Good day. My name is Leo Stratton and I am a multi-term Precinct Committee Person in the state of Oregon. I am submitting the following evidence regarding campaign indiscretions by Joey Nations, a Republican seeking Congress in Oregon's Fifth District. His candidate ID number is H6CR05206. His Campaign ID number is C00672477. Please review the enclosed evidence in a timely manner as the Oregon elections are proceeding at this time.

The incumbent Oregon Congressman Kurt Schrader and his legal team will quickly discover this evidence from his campaign sight and use it to subvert the election process, should Mr. Nations secure a primary victory.

Thank you in advance for reviewing the enclosed evidence I have shared and I look forward to your decision and further action.

Sincerely,

Desperation stinks. Co-cowards Leo Stratton and Mark Callahan filed a false FEC complaint against me. The complaint is that I am missing a text box stating "Paid for by Joey Nations for Congress" on stickers etc. We should focus on beating Kurt guys. This is just sad!

To whom it may concern,

I have reason to believe that Joey Nations, a self-described “Republican candidate” for Oregon’s 5th Congressional District in the 2020 election may be out of compliance or even in direct *violation* of federal elections laws. Consider the following facts:

1. In 2018, Joey Nations ran unsuccessfully for the Republican nomination for Congressional District 5.

Source: https://ballotpedia.org/Joey_Nations

2. For that 2018 campaign, Joey Nations used the address 1130 Nebraska Ct. NE, Salem OR 97301 in one or more FEC election filings, designating “Joey Nations for Congress” (same address) as his Principal Campaign Committee in a Form 2 that he signed and submitted on 03/06/2018.

Source: <https://docquery.fec.gov/cgi-bin/forms/H8OR05206/1212617>

See **Exhibit A** (4 pages)

3. Joey Nations was listed as a 2018 candidate on the FEC website, indicating that he knew how to properly file as a congressional candidate and did so at that time.

Source: <https://www.fec.gov/data/elections/house/OR/05/2018>

See **Exhibit B** (1 page)

Office of General Counsel
June 18, 2019
Page 2

4. As of today's date, Joey Nations is not listed as a filed candidate for the 2020 election on the FEC website.

Source: <https://www.fec.gov/data/elections/house/OR/05/2020>

See **Exhibit C** (1 page)

5. It is my understanding that Joey Nations' 2018 candidate filing is valid only for that election and is not in effect for the 2020 election.

Source:

https://www.fec.gov/data/candidate/H8OR05206/?cycle=2018&election_full=true&tab=filings

See **Exhibit D** (1 page)

6. In a Facebook post dated April 7, 2019, the "Joey Nations For Congress" page (@JoeyNationsForCongress) posted an update claiming that the campaign is "filing our first Federal Election Commission report", detailing (a) Joey Nations' claimed experience as a political lobbyist, (b) making a number of serious but unsubstantiated accusations against organizations I respect and people that I consider to be friends and people of integrity, (c) claiming to be a 2020 congressional candidate, (d) soliciting financial donations on that basis, and (e) attaching a cartoon that depicts him saying "America first bitch" as he slaps an advocate of foreign aid in the face.

Source:

<https://www.facebook.com/JoeyNationsForCongress/photos/a.142347736448014/320876948595091>

See **Exhibit E** (5 pages)

7. As of today's date, the Facebook page "Joey Nations For Congress" (@JoeyNationsForCongress) lists Joey Nations as a "Political Candidate". At best, this seems misleading, since Joey Nations is not a filed 2020 congressional candidate. At worst, this may be fraudulent and a dishonest way of soliciting donations. The page also lists the email address joey@joeynations.com and the website address <http://www.joeynations.com>. The website features a "Donate" button that leads to a page accepting donations for "Joey Nations for Congress".

8. In an April 2019 quarterly report, the "Joey Nations for Congress" committee filed an FEC Form 3, Schedule A, that reported receiving \$1,000 from Kevin Conzo for the "2020 Primary" on 01/27/2019.

9. The Instructions for filing an **FEC Form 6** specify that an FEC Form 6 must be received by the federal filing offices “within 48 hours after a campaign’s receipt of any contribution of \$1,000 or more”.

Source: <https://www.fec.gov/resources/cms-content/documents/fecfrm6i.pdf>

See **Exhibit I** (1 page)

10. I am unable to find any record of an **FEC Form 6** filed by Joey Nations or “Joey Nations for Congress” that corresponds to the Kevin Conzo donation of \$1,000 on 01/27/2019.

I am concerned that Joey Nations and/or “Joey Nations for Congress” may be improperly raising money under the claim that it is for his 2020 campaign for Congress and that neither he nor his campaign have filed an **FEC Form 6** within 24 hours of receiving the above-mentioned (and possibly other?) donations of \$1,000 or more. If true, I’m concerned that this omission would be a violation of federal elections law. Has Mr. Nations been found to be in violation of this or any other election laws in the past? Please investigate and level any appropriate fines and/or penalties. Due to Mr. Nations’ experience as a 2018 candidate, I believe that he either knows or should have known the campaign laws that apply to him as a self-described 2020 congressional candidate.

Please contact me by email at _____ with any questions or updates you may have relating to this matter.

Respectfully,

Nathan Dahlin

April 7 · 🌐

Fighting The Swamp: I have a history of it! This post is long but stick with me. I'll tell you a story because we're filing our first Federal Election Commission report and it's exciting! Plus read our update for you on our grassroots campaign and detail Oregon's political establishment efforts (from BOTH parties) to stop our patriotic revolution. For the short story types, here's the spoiler - we win!! For those into details continue reading below.

Rewind to 2007, I was attending college at the University of Utah and working as an intern at the Utah State Senate. I was a Republican working for two old school Democrat Senators who focused on labor issues and anti-NAFTA legislation. It was eye opening to me as a Republican who had always heard the "NAFTA free trade" sales pitch. At the time, I didn't connect that bad trade deal with good manufacturing jobs emptying out of America. I learned though. I remember the Republican Senators laughing at the idea of lost jobs - goods were so cheap and profits high enough, they didn't care.

By 2008, I was working at a mixed political party lobbying firm who lobbied for the highest bidder - hired guns. We worked at the state and federal level with contracts and fundraising spanning the country and up to the level of the Clinton's and Obamas. I met and worked with people involved in the darkest circles of American politics. In 2009, I was forced to attend Obama's inauguration and was disgusted by the Democrat's plan for our Country. The years that followed only cemented my feelings. We had to fix this!

I worked at two lobbying firms during Obama's first term and my client list was national/international. I ran statewide political races. I also interacted with and saw the absolute WORST of the sausage making that we all know happens in D.C.. Within a few years I was sick and tired of watching my Country being sold down the river. I was involved in conservative political activism and was strongly opposed to Mitt Romney running against Obama in 2012. After his loss, I talked with my wife and we decided it was time for change. I couldn't work in that lobbying firm any longer and contribute to the corruption in American politics which brought Obama to office.

After some severe disagreements with the senior partners, I quit the lobbying firm and moved my family to Oregon after securing a position with the State. We moved here in 2012 because of the strong 2nd Amendment freedoms, balanced political landscape and beautiful landscape. Our focus

the state. We moved here in 2012 because of the strong 2nd Amendment freedoms, balanced political landscape and beautiful landscape. Our focus was on raising our young family and getting loosely involved with Republican politics in Oregon.

Despite my very strong political background, I was not very heavily involved in the political structure due to my knowledge of the vast corruption controlling it. I knew how strong and horrible the Koch Brothers were in their control of Republican politics and that included Oregon. Then in 2015, President Trump came down that escalator and changed my whole perspective. I told my wife the day he announced that he would win in 2016 because of his opposition to "popular Republican" positions and speaking to issues that EVERYONE talked about at home.

I felt reinvigorated and jumped back into politics 110%! I sought out the Oregon Republican Party, I volunteered for the Trump campaign and I did everything possible to get him elected. I supported him throughout the Republican primary. Fought for him online, in public, on the phone and attended his Oregon rally! The opposition I saw to him then in Oregon RINO circles was disheartening to me but I prayed for his success knowing they'd come along if he won. Then the day came. Donald J. Trump became President Trump!!

From 2016 on, I tried to engage with and involve myself with the Oregon Republican Party (ORP) at every level. Despite many of their elected officials and leaders disliking our President even after his victory - I held out hope. President Trump had saved the Country and the National Republican Party, surely the ORP folks would see this and embrace him? As time continued and my involvement in the state party grew - so did my disappointment. Every fair booth I volunteered at and signatures I helped gather involved exposure to more and more RINOs. I had met one of the ORP candidates for Senate, Mark Callahan, and was not impressed given his horrible background of constant running and putting his family last. I met elected Republican representatives like Bill Post and Mike Nearman who can put on a good act but would NEVER put America First if it got in the way of their political ambitions. They'd rather take as much open border Koch Brother money as they can get and would've preferred a Jeb Bush presidency to a Trump presidency.

It's disgusting. After devastating losses for the ORP in 2016 (despite President Trump's victory) I met with top officials within the party many times offering ways they could increase their exposure and grow the voting base.

Fighting for Oregon's 5th District

"My campaign represents the working men and women of this district who don't have time for corrupt politicians. We're tired of Oregon not having a voice in D.C. so the people are here to take our state back from the ground up. We want honesty, we want access and we wanted it yesterday." - Joey Nations, Republican for 5th District

A postmark date is not significant for purposes of filing on time. If filed electronically, the form must be received and validated by the Commission's computer system on or before 11:59 p.m. Eastern Time on the prescribed filing date. Committees that are not required to file electronically may file this form either electronically or via facsimile machine to the numbers listed below.
