Re: MUR 7660

Dear Ms. Ross,

This response is submitted by the undersigned counsel on behalf of the National Rifle Association, National Rifle Association Institute for Legislative Action, and National Rifle Association Political Victory Fund (Robert G. Owens, Treasurer) in connection with MUR 7660.

The Complaint seeks to have the Commission act on “[p]rior complaints” and raises issues previously addressed by the Respondents in MUR 7427. This Complaint lacks merit for the reasons set forth in the Respondents’ response in that matter. The Complaint contains no new facts or allegations and, with respect to the substantive allegations made, no further response is necessary.

The specific activities addressed in the Complaint relate to the 2014 general election and occurred more than five years ago. While proceedings in MUR 7427 may be ongoing, this Complaint was filed beyond the applicable five-year statute of limitations for the activities concerned and should be dismissed on those grounds alone.

Sincerely,

Jason Torchinsky
