Union NJ 07083

Case: MUR7028

Dear Kimberly Hart,

I am reaching out to you to with my current paystubs attached to show you that the Local 9 Union is still taking out money from my paycheck for funds that are deemed voluntary and can be opted out at any time. However, the method in which a union member can request these funds, violates their privacy.

Sometime ago, Mike Maloney implemented a system for members to request their money by forcing them stand up in front of all the members during Hall meetings to request their funds back. This has intimidated many members from requesting refunds for these voluntary funds. They now call this the "Walk of Shame". This is a complete breach of privacy.

Sincerely,

Rupert Baptiste
