Dear Sir/Ma'am,

Two Fischbach for Congress Campaign Update/Fundraising Email Letters I've Received Lacked The Box Around The Disclaimer Required by FEC Regulation. Both the enclosed letters (dated 10/31/2019 and 11/18/2019) have a partial line above and below the disclaimer, but not the required box around the disclaimer as described in FEC Campaign Guide, 2014, page 66 (76 of 199). Thank you for your time and consideration. Please don't hesitate to contact me with any questions you may have.

Sincerely,

Christopher Watson

Michelle
FISCHBACH
REPUBLICAN FOR CONGRESS

As an American, I am ashamed to say that the legal system is failing us. **How can the President of the United States not be allowed a fair trial?** This is a disgrace to our country and to the office of the Presidency.

Adam Schiff is not conducting a proper impeachment, even if he had the evidence. We have all been kept in the dark about what's really happening. It's been a sham. The media learns about the impeachment hearings before Congress does!

Now Nancy Pelosi has moved forward with formalizing the impeachment and handed the baton to Rep. Schiff to lead this witch hunt. I am calling on you to help us.

I am committed to supporting President Trump, and I want you on my side. Please rush a donation today to help send a true Trump ally to Congress so we can stop this ridiculous witch hunt.

Your support today will help us as we build grassroots support in Minnesota and all across the country. Rep. Schiff needs to know where the American people stand. We're going to stand up for our President and fight this sham of an impeachment.

President Trump needs allies in Congress, not people like Rep. Peterson, who votes against Trump more often than AOC!

Again, please rush a contribution today and tell Adam Schiff enough is enough!

Sincerely,

Michelle

While his overall fundraising numbers have dropped off, the vast majority of his donations are coming in from OUTSIDE the district!

It's time to take a stand for the 7th District. Thank you for joining Michelle in this fight!

REPUBLICAN FOR CONGRESS

Thank you again for signing up for email updates from Michelle and our team. We're working hard to build momentum... and your involvement is **CRUCIAL** to our efforts!

The numbers show that we can win this seat in 2020. But it's going to take ALL of us working together, Russ.

As you know, Michelle is a conservative trailblazer who has fought for our core values, and will stand with President Trump to get **RESULTS** for the 7th District. And while no other member of Congress votes against his district more than Collin Peterson, he's proven to be very adept at fooling voters in the past.

It's time to end the charade. We're calling out Collin Peterson on his record, from opposing tax cuts and border security to attacking President Trump to standing with Congress's most radical members, like Ilhan Omar and Alexandria Ocasio-Cortez.

Michelle is the conservative leader we need fighting for our Greater Minnesota values and priorities in Washington. But the fact is she's going up against an entrenched incumbent, with powerful friends in the D.C. swamp who are rushing in to prop him up.
