RE: Complaint Exhibits

Dear Ms. Stevenson:

The Foundation for Accountability and Civic Trust (FACT) submitted a complaint dated January 16, 2020, seeking an immediate investigation into Cal Cunningham, Cal for North Carolina, and VoteVets.Org Action Fund.

As that complaint references, both Cunningham and VoteVets.Org Action Fund sent fundraising emails nearly simultaneously. A copy of the Cunningham email and VoteVets.Org Action Fund email are enclosed.

Respectfully submitted,

Kendra Arnold
Executive Director, Foundation for Accountability & Civic Trust

Arizona. Kentucky. Texas. North Carolina.

What do these states all have in common, you ask? Veterans are running for U.S. Senate against Republican incumbents in every single one of them. And VoteVets has been proud to endorse each one.

If candidates like Mark Kelly, Amy McGrath, MJ Hegar, and Cal Cunningham can flip these four seats, we will not only elect leaders with the *courage* to restore accountability and independent leadership in our government — but we'll also take back the Senate majority.

So, we are joining forces and setting a goal of raising \$25,000 in the next 24 hours.

[Taking back the Senate in 2020 depends on veterans like Mark, Amy, MJ, and Cal being able to flip their seats. Split a contribution today between our teams to support our critical work ahead.](#)

Mark, Amy, MJ, and Cal are running to be the independent voices we need in the Senate today — because we deserve leaders who will stand up for our values, not weak politicians who put their own self-interest first.

Every dollar you give to this message will go toward flipping these four seats. It won't be easy, but we've got to give this fight everything we've got.

Thanks for standing with us,

— Team Cal

We're reaching out with an important update, team:

As you know, veterans are leading the charge across the country to flip the Senate. With incredible candidates like Amy McGrath, Mark Kelly, MJ Hegar, and Cal Cunningham challenging incumbent Republican Senators, it's up to us to make sure they have the resources to win in 2020.

If you make a donation of \$3 right now, we'll immediately split it between VoteVets and our four endorsed Senate candidates in Arizona, North Carolina, Texas, North Carolina. Chip in now:

Democrats only need to flip four seats next year to take back the majority, restore accountability to the Senate, and make sure Washington does rights by our men and women in uniform.

With our incredible slate of candidates, we have the opportunity to make it happen next November. But only if veterans like Amy, Mark, MJ, and Cal have the resources they need to go up against Mitch McConnell and his pipeline of millions in dark-money dollars.

Thanks in advance for taking advantage of this opportunity to have a major impact in four critical Senate races where veterans are already in a position to win.
