Re: MUR 7681

Dear Mr. Jordan:

We write as counsel to Cal Cunningham, Cal for NC (the "Committee"), and Steven Mele in his official capacity as Treasurer of the Committee, (collectively, "Respondents"), regarding the complaint in the above-referenced matter.

The complaint was received on or around January 28, 2020. Respondents respectfully request that the time for their response be extended until Friday, March 13, 2020. Respondents require more time to review the complaint and gather the information necessary for a response. Moreover, we believe this request is reasonable due to the proximity to the upcoming primary election on March 3, 2020 in less than a month.

We appreciate the Commission's consideration of this request. Please do not hesitate to contact us if you have any questions.

Very truly yours,

Marc E. Elias
Jacquelyn K. Lopez
