Re: Matter Under Review 7707

Dear Mr. Jordan:

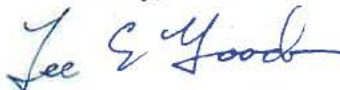

This office represents the American Muscle Car Museum, Inc. in connection with Matter Under Review ("MUR") 7707. Enclosed please find executed Designation of Counsel from the Respondent. Please note that Mr. Pieloch is not the "owner" of the American Muscle Car Museum. As a non-profit organization, the museum has no "owner." Mr. Pieloch serves as President of the museum.

On March 3, 2020, the Respondent received the Commission's notice of the complaint. The notice affords the Respondent 15 days to submit a response pursuant to 52 U.S.C. § 30109(a)(1). Respondent intends to submit a response but will need an additional 30 days, until April 17, 2020, to do so.

Good cause exists for granting this modest extension. Our firm was engaged this week. Our client is located in Florida and, as a non-profit museum, has no experience dealing with Commission regulations and enforcement processes. We will need the additional time to review the complaint, consult with our client and others, gather the relevant facts, and prepare a written response. The extension will afford us the time necessary to ensure an accurate response to the factual allegations in the complaint and provide the Commission an adequate record to determine whether there is reason to believe a violation of law occurred.

I appreciate the Commission's accommodation of additional time in this matter. Please contact me or Andrew Woodson if you have any questions.

Sincerely,

Lee E. Goodman
