Re: Extension for response to MUR 7731 for
Respondent National Right to Life Victory
Fund Wayne Cockfield, Treasurer

Dear Ms. Dennis,

This Firm represents National Right to Life Victory Fund Wayne Cockfield, Treasurer ("Respondent") in the Matter Under Review ("MUR") 7731. On May 4, NRL-VF received notification of the complaint that is the subject of this MUR.

52 U.S.C. § 30109(a)(1) provides Respondents the opportunity to demonstrate in writing that the Commission should take no further action within fifteen (15) days of notification. An extension was previously requested and granted allowing response on June 18, 2020. We hereby request an extension for the response to the above-noted MUR until July 2, 2020.

The Firm represents two Respondents to this matter. In addition to the considerable increase in their regular work, both Respondents will present complete defenses to the claims at issue, requiring investigating and authenticating detailed factual records. After initial interviews, the Firm has recognized that gathering and authenticating evidence probative of the claims during the Respondents' most active times will require more effort and time than it had initially estimated. Consequently, Respondent respectfully requests an additional fourteen day extension, making a response due on July 2, 2020.

Sincerely,

THE BOPP LAW FIRM, PC
