To the Honorable Office of General Counsel:

On behalf of the public including myself, it's here that I, Brian Coletta, **Complainant** and former Field Director of "Jenny Marshall for US House," the principal campaign committee "Committee To Elect Jenny Marshall," Candidate and Committee Treasurer, Designated Agent, and Custodian of Records Jennifer Marshall (Candidate Wife), and Data Director and Committee Treasurer and Designated Agent Jeffery Marshall (Candidate's Husband), **Respondents**, individually several and joint, file this complaint against the aforementioned individually several and joint parties, persons, and/or Respondents for negligent and/or willful omissions and/or misrepresentations and perjury that are alleged and/or suspected federally illegal statutory violations of the US Code Federal Elections Campaign Act (FECA) of 1971, Title 52, Voting and Elections, Chapter 301, Subchapter 1, Disclosure of Federal Campaign Funds law, violations of the corresponding Federal Election Commission (FEC) Regulations, and violations of the public's trust.

The complaint I am filing here is based on statements of my personal and public knowledge as well as statements of information and beliefs as identified below. Because I was the former Field Director of the Respondents, my personal knowledge, information, and beliefs of the Respondents' alleged and/or suspected federally illegal statutory violations of FECA's Disclosure of Federal Campaign Funds law and violations of the corresponding FEC's Regulations, both by which the FEC governs, implements, and enforces, and violations of the public's trust, individually several and joint, are additionally based on both my first- and second-hand exposure to the Respondents' practices. In accompaniment with the provided document

enclosures and their sources, please reference, correspond (in order of initial sequential mention, and again as multiple additional cross-reference mentions), and use all this information as evidence to corroborate and substantiate my complaint documented, presented, and included here, elsewhere, and as further discovered by the FEC.

Statements Based on Personal Knowledge of Respondents' Alleged Illegal FECA Statutory and/or FEC Regulations Violations

§ 30103 – Registration of political committees

(a) Statements of organizations

- Shall file a Statement of Organization **within 10 days** of becoming a “political committee” as defined by Section 30101(4)
 - **Statement of Candidacy (SOC) and Designation of Principal Campaign Committee were signed 12/12/16, but the Respondents didn’t file their Statement of Organization (SOO) until Q3 2017, on 08/05/17, despite the Respondents meeting and exceeding greater than \$1,000 in received contributions or disbursed expenditures “political committee” thresholds in Q1 & Q2 2017 (see Respondents’ SOC, SOO, and April and July Quarterly 2017 FEC Form 3 Reports document enclosures and sources)**

§ 30114 – Use of contributed amounts for certain purposes

(b) Prohibited use

- (1), (2), (2) (A), (2) (F), and the FEC Regulations’ “Irrespective Test” – “a contribution or donation...shall not be converted by any person to personal use” (such as campaign “perks” and/or “benefits”)
 - **Unlike in the previous 12 months of the campaign, all of a sudden the Respondents using \$377.21 of campaign funds to pay Verizon Wireless for Respondents’ personal use, monthly, smart phone plans over the last months of the campaign, not for the one-time purchases of the two strictly and singularly dedicated campaign bare bones, commercial, retail shelf, bubble wrap, disposable, dumb flip phones that had pay-as-you-go/-need, pre-pay packages (see Respondents’ April Quarterly and Pre-Primary 2018 FEC Form 3 Reports and “Irrespective Test” Failures spreadsheet summary document enclosures and sources)**
 - **On May 10, 2018, two days after the campaign lost the May 8, 2018 primary and effectively ended, and the Respondents owing thousands of dollars of Debts and Obligations to others, the Respondents used \$42.78 of campaign funds to purchase a HULU tv device and/or live streaming service for their personal use entertainment, despite being referenced as “News Information” (see Respondents’ July Quarterly 2018 FEC Form 3 Report; Hulu’s Terms of Use; and “Irrespective Test” Failures spreadsheet summary document enclosures and sources)**

Considering all of the evidence documented, presented, and included here, elsewhere, and as further discovered by the FEC in its totality, I believe this repeated and pervasive pattern of negligent and willful omissions and/or misrepresentations appears suspiciously like and suggests

the Respondents, individually several and joint, are not only consciously, knowingly, grossly, egregiously, brazenly, and contemptuously disregarding and defying federal law and regulations and the public trust by misreporting and failing to report altogether, but by doing so, they are also equally **intentionally, purposefully, and willfully concealing** the Respondents' receipts and disbursements and their identification and itemization subject to reporting and compliance with and as required by the FECA statutes and FEC Regulations to fully disclose to the FEC and the public. As such, the Respondents have and continue to **essentially and literally run at least parts of their congressional campaign operation off the books as indicated by the Respondents' failures to report their October Quarterly and Year-End 2018 FEC Form 3 Report filings.** Where are the Respondents' October Quarterly and Year-End 2018 FEC Form 3 Reports of receipts and disbursements? What are the Respondents concealing? Where are the Respondents' July 11, 2018 "Progressives United" fundraiser receipts, disbursements therefrom, and other known and documented money? Where did all this money go? How much money did the Respondents transact off the books?

As such, and further considering the Respondents' FEC RFAI response deadlines date back more than two years ago to April 17, 2018 and other FEC RFAIs since then remain consciously, knowingly, negligently and willfully, repeatedly, pervasively, grossly, egregiously, brazenly, and contemptuously disregarded, defied, refused, unanswered, and not complied by the Respondents explicitly constitutes, exhibits, and expresses the Respondents', by their own presence and/or absence of inaction, action, misconduct, and/or words, their equal intentions, practices, and results not to be compelled by previous and current FEC compliance enforcement warnings and measures is the Respondents' own doing. Therefore, I respectfully request the FEC deny the Respondents, as may be pleaded so by the Respondents in their response(s) to this complaint, any request for an extension of time in excess of any of the FEC's complaint stage prescribed timeframe days allowed for the Respondents to respond, especially considering grace periods are not granted and after the nearly additional two years and the more than two years they've already had, as previously granted and requested, advised, directed, and warned by the FEC, to correct their errors and failures and respect, comply, fulfill, obey, and answer their obligations to federal law, the FEC's regulations, and the public's trust. Please note, per the FEC RFAIs previously issued to and not complied by the Respondents during these periods:

“Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether **audit action** will be initiated. **Failure to comply** with the provisions of the Act may also result in an **enforcement action** against the committee. **Any response submitted by your committee will be placed on the public record** and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**”

“Failure to adequately respond by the response date noted above could result in an **audit or enforcement action.**”

“The failure to timely file a complete report may result in **civil money penalties, an audit or legal enforcement action.** The **civil money penalty** calculation for late reports

does not include a grace period and begins on the day following the due date for the report.”

“Any filer who is required to file electronically, but instead files on paper, will be considered a nonfiler and may be subject to enforcement action under the Administrative Fine Program. Your reporting obligation will not be satisfied until you file the above-referenced report in an electronic format. The civil money calculation for late reports does not include a grace period and begins on the day following the due date for the report.”

Also on behalf of the public including myself, it's here that I, Complainant Brian Coletta, respectfully request the Office of General Counsel of the Federal Election Commission (FEC) for a Matter Under Review (MUR) that proceeds, with its and the FEC's full just weight, to investigate, discover, audit (including the records of suspected multiple former and/or current Respondents' bank accounts), adjudicate, and correspondingly, administer, levy, and enforce civil money penalties and/or administrative fines, temporary or permanent injunction, and/or legal enforcement action punishment in measures equal to and/or greater than the cumulative of each single and all combined judged failure(s) to report and/or file, misreporting and/or misfiling, perjury, misconduct, disregard, abuse, noncompliance, concealment, fraud, negligent and/or willful omissions and/or misrepresentations, and any other federally illegal statutory and regulatory violations and contempt, by the Respondents, individually several and joint, for consciously, knowingly, repeatedly, pervasively, grossly, egregiously, brazenly, and **contemptuously disregarding, defying, refusing, not answering, not complying, and failing to provide all of the “information essential to full public disclosure of your [the Respondents'] federal election campaign finances”** (FEC RFAI, version RQ-2) and correct these errors and failures as federally illegal statutory violations of FECA's Disclosure of Federal Campaign Funds law, violations of the FEC's Regulations, and violations of public trust as documented, presented, and included here, elsewhere, and as further discovered by the FEC, and punishment also in measures great enough to finally culminate in compelling and eliciting the Respondents' obedience to federal law and regulations and the public's trust as afforded in the powers vested in and within the FEC's jurisdiction as prescribed in FECA's Section 30107, Powers of Commission, Section 30109, Enforcement, Section 30111, Administrative Provisions, and Section 30112, [Maintenance of “election-related report”[s]] statutes, like additionally promulgated and proclaimed in the FEC's publicly posted RFAs, and in the FEC's Regulations against the Respondents, individually several and joint, and whose findings, enforcement action(s), this complaint, and the Committee To Elect Jenny Marshall's October Quarterly and Year-End 2018 FEC Form 3 Reports of Receipts and Disbursements filings and any additionally discovered and required FEC Form 3 Reports and/or Schedules, new and/or amended, and/or other filings are, preserved for the life of the committee, the committee's records, and the FEC's records of the committee, in accordance with these public contracts between and by FECA, the FEC, and the Respondents or any candidate's committee and/or campaign and/or candidate running for publicly elected federal office, on behalf of the American public writ large, especially the voting public, including myself, of North Carolina's 2018 Fifth Congressional District for the U.S. House of Representatives for whose office Respondent and Candidate Jennifer Marshall sought and ran, made available to the public record.

Signed, this 18 day of June, 2020,

REFERENCE: OCTOBER QUARTERLY REPORT (07/01/2018 - 09/30/2018)

Dear Treasurer:

It has come to the attention of the Federal Election Commission that you may have failed to file the above referenced report of receipts and disbursements or failed to file a report covering the entire reporting period as required by the Federal Election Campaign Act, as amended. 52 U.S.C. §30104(a)

It is important that you file this report immediately. The report must be filed with the Federal Election Commission, 1050 First Street, NE, Washington, DC 20002. Please note that electronic filers must submit their reports electronically, as per 11 CFR §104.18. A copy of the report must also be filed with the Secretary of State or equivalent State officer unless the State is exempt from the federal requirement to receive and maintain paper copies. You can verify the Commission's receipt of any documents submitted by your committee on the FEC website at www.fec.gov.

The failure to timely file a complete report may result in civil money penalties, an audit or legal enforcement action. The civil money penalty calculation for late reports does not include a grace period and begins on the day following the due date for the report. Due to heightened security screening measures, delivery of mail by the US Postal Service may be delayed. The Commission recommends that you submit your report via overnight delivery or courier service.

If you have any questions regarding this matter, please contact Jamie Sikorsky in the Reports Analysis Division on our toll-free number (800)424-9530. The analyst's direct number is (202)694-1137.

REFERENCE: YEAR-END REPORT (10/01/2018 - 12/31/2018)

Dear Treasurer:

It has come to the attention of the Federal Election Commission that you may have failed to file the above referenced report of receipts and disbursements or failed to file a report covering the entire reporting period as required by the Federal Election Campaign Act, as amended. 52 U.S.C. §30104(a)

It is important that you file this report immediately. The report must be filed with the Federal Election Commission, 1050 First Street, NE, Washington, DC 20002. Dear Friend,

You are invited to join DD Adams and Jenny Marshall for a special unity fundraiser to benefit the Committee to Elect Jenny Marshall. Running for office is a personal sacrifice-- one that takes time, money, and resources. Oftentimes, campaigns need a little help to reconcile their debts after a hard fought election cycle.

Just as President Obama did for Hillary Clinton in 2008, candidate DD Adams has extended a helping hand to primary competitor Jenny Marshall to help close out her primary campaign. This event is about showing what we already know about democrats and progressives-- we look out for each other!

The event will be held at the home of James Perry and Melissa Harris-Perry on Wednesday, July 11th from 6:30-8:30pm. Further

details about the location will be shared following your sponsorship. We hope you will join us for this important event to unify the two campaigns in pursuit of a common goal: taking down Virginia Foxx in 2018.

Tickets will be available at the door. To RSVP to buy a ticket at the event, please email info@ddadamsforcongress.com

REFERENCE: JULY QUARTERLY REPORT (04/19/2018 - 06/30/2018)

Dear Treasurer:

It has come to the attention of the Federal Election Commission that you may have failed to file the above referenced report of receipts and disbursements or failed to file a report covering the entire reporting period as required by the Federal Election Campaign Act, as amended. 52 U.S.C. §30104(a)

It is important that you file this report immediately. The report must be filed with the Federal Election Commission, 1050 First Street, NE, Washington, DC 20002 for House candidates, or the Secretary of the Senate, 232 Hart Senate Office Building, Washington, DC 20510 (if sent via overnight delivery service) or Senate Office of Public Records, P.O. Box 77578, Washington, DC 20013-7578 (if sent via USPS) for Senate Candidates. Please note that electronic filers must submit their reports electronically, as per 11 CFR §104.18. A copy of the report must also be filed with the Secretary of State or equivalent State officer unless the State is exempt from the federal requirement to receive and maintain paper copies. You can verify the Commission's receipt of any documents submitted by your committee on the FEC website at www.fec.gov.

The failure to timely file a complete report may result in civil money penalties, an audit or legal enforcement action. Response Due Date

12/11/2017

IDENTIFICATION NUMBER: C00629881

REFERENCE: OCTOBER QUARTERLY REPORT (07/01/2017 - 09/30/2017)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 3 item(s):

1. The totals listed on Line(s) 7(a), 7(c), 17, 19(b), 19(c), 21 and 22, Column B of the Summary and Detailed Summary Page(s) appear to be incorrect. Column B figures for the Summary and Detailed Summary Pages should equal the sum of the Column B figures on your previous report and the Column A figures on this report. Please file an amendment to your report to correct the Column B discrepancies for this report and all subsequent report(s) which may be affected by this correction. Note that Column B should reflect only the election cycle-to-date totals (11/9/2016 through 11/6/2018). (52 U.S.C. § 30104(b) (formerly 2 U.S.C. § 434(b)) and 11 CFR § 104.3)
2. Commission Regulations require that a committee discloses the identification of all individuals who contribute in excess of \$200 in an election cycle. (11 CFR § 104.3(a)(4)(i)) Identification for an individual is defined as the full name (initials for first or last name are not acceptable), complete mailing address, occupation, and name of employer. (11 CFR § 100.12) Your report discloses contributions from individuals for which the identification is not complete.

The following employer and occupation entries appear on your report and are not considered acceptable: "Blank/Blank," "None/None," "Self Employed/Blank," "Unknown/Unknown."

You must provide the missing information, or if you are unable to do so, you must demonstrate that "best efforts" have been used to obtain the information. To

TO ELECT JENNY MARSHALL

Page 2 of 3

establish "best efforts," you must provide the Commission with a detailed description of your procedures for requesting the information. Establishing "best efforts" is a three-fold process.

First, your original solicitation must include a clear and conspicuous request for the contributor information and must inform the contributor of the requirements of federal law for the reporting of such information. (11 CFR § 104.7(b)(1)) See 11 CFR § 104.7(b)(1)(i)(B) for examples of acceptable statements regarding the requirements of federal law.

Second, if the information is not provided, you must make one follow-up, stand alone effort to obtain this information, regardless of whether the contribution(s) was solicited or not. This effort must occur no later than 30 days after receipt of the contribution and may be in the form of a written request or an oral request documented in writing. (11 CFR § 104.7(b)(2)) The requests must:

- clearly ask for the missing information, without soliciting a contribution;
- inform the contributor of the requirements of federal law for the reporting of such information, and
- if the request is written, include a pre-addressed post card or return envelope.

Third, if you receive contributor information after the contribution(s) has been reported, you should either a) file with your next regularly scheduled report, an amended memo Schedule A listing all the contributions for which additional information was received; or b) file on or before your next regularly scheduled reporting date, amendments to the report(s) originally disclosing the contribution(s). (11 CFR § 104.7(b)(4))

Please amend your report to provide the missing information or a detailed description of your procedures for requesting the information. For more information on demonstrating "best efforts," please refer to the Campaign Guide.

3. On Schedule B supporting Line 17 of your report, you have itemized disbursements for which you have failed to include the address and purpose. Please amend your report to include the missing information. (11 CFR § 104.3(b)(4))

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee

will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. For additional information about the report review process or specific filing information for your committee type, please visit <http://transition.fec.gov/rad/>. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1132.

REFERENCE: JULY QUARTERLY REPORT (04/19/2018 - 06/30/2018)

Dear Treasurer:

Your Committee has failed to file the above-referenced report in an electronic format. 11 CFR §104.18 states that any committee that receives contributions or makes expenditures in excess of \$50,000 in the current calendar year, or that has reason to expect to do so, must submit its reports electronically. Once filers exceed the \$50,000 threshold, they have "reason to expect" to exceed the threshold in the following two calendar years. Alternatively, committees that have not met the electronic filing threshold but instead voluntarily files reports electronically must continue to file electronically for the remainder of the calendar year.

It is important that you file this report in an electronic format immediately with the Federal Election Commission. Any filer who is required to file electronically, but instead files on paper, will be considered a nonfiler and may be subject to enforcement action under the Administrative Fine Program. Your reporting obligation will not be satisfied until you file the above-referenced report in an electronic format. The civil money calculation for late reports does not include a grace period and begins on the day following the due date for the report.

If you have any questions, please contact Aimee Wechsler in the Reports Analysis Division on the toll free number, (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division). Her local number is (202) 694-1194.

agree that for various reasons, such as restrictions from content programmers and other limitations or considerations from third-parties, certain Content and functionality that may be available through one Access Point or Compatible Device may not be available through another Access Point or Compatible Device. We hope not to, but we may change, suspend, or discontinue - temporarily or permanently - some or all of the Services (including the Content and the Compatible Devices through which the Services are accessed), with respect to any or all users, at any time without notice. In our continued assessment of the Services, we may from time to time, with respect to any or all of our users, experiment with or otherwise offer certain features or other elements of the Services, including promotional features, user interfaces, product features and functionality, plans, pricing, and advertisements. You acknowledge that Hulu may do so in Hulu's sole discretion at any time without notice. You also agree that Hulu will not be liable to you for any modification, suspension, or discontinuance of the Services.

4. SUBSCRIPTIONS AND BILLING

4.1. Ongoing Subscription and Fees. While we may offer Content from time to time for free, we charge a fee to access the Services. We will bill you in advance for your subscription. Your subscription will continue and automatically renew on a recurring basis corresponding to the term of your subscription unless and until you cancel your subscription, or your account is otherwise suspended or terminated pursuant to these Terms. Hulu reserves the right to change the terms of your subscription, including price, from time to time, effective as of the beginning of your next Billing Period following the date of the change. We will give you advance notice of these changes, but we will not be able to notify you of changes in any applicable taxes.

4.2 Payment Method. Unless otherwise indicated, you will be required to provide a credit card or other payment method accepted by Hulu, as may be updated from time to time ("Payment Method"). We will charge your Payment Method a periodic subscription fee on a recurring basis corresponding to the term of your subscription, and any applicable taxes. You are solely responsible for any and all fees charged to your Payment Method. When you provide a Payment Method, we will attempt to verify the information you entered by processing an authorization hold. We do not charge you in connection with this authorization hold, but your available balance or credit limit may be reduced. If you want to use a different Payment Method than the one you signed up to use during registration, you may edit your Payment Method information by logging in on the Hulu Site and viewing your account details.

4.3 Billing Holds. In the event of a failed attempt to charge to your Payment Method (e.g. if your Payment Method has expired), we reserve the right to retry billing your Payment Method. In the event that you or we (through our payment service providers) update your Payment Method to remedy a change in validity or expiration date, we will automatically resume billing you for your subscription to the Services. We may suspend or cancel your access to the Services if we remain unable to successfully charge a valid Payment Method. We also reserve the right to pursue any amounts you fail to pay in connection with your subscription, including collection costs, bank overdraft fees, collection agency fees, reasonable attorneys' fees, and arbitration or court costs.

We may offer you the ability to pause your subscription for a specified period of time. If you do not cancel before the end of the pause period, billing will resume automatically.

4.4 Billing Period. As used in these Terms, "billing" shall indicate either a charge or debit, as applicable, against your Payment Method. We will automatically bill your Payment Method on the later of the day you start your subscription or the day your free trial ends, and on each recurring billing date thereafter. Your "Billing Period" is the interval of time between each recurring billing date and corresponds to the term of your subscription. Where applicable, charges for one or more Services may be prorated for any partial month of service. To see your next recurring billing date, log in on the Hulu Site and view your account details. You acknowledge that the timing of when you are billed and the amount billed each Billing Period may vary, including if your subscription began on a day not contained in a given month (e.g. if you have a monthly subscription and became a paying subscriber on January 31, your Payment Method would next be billed on February 28), due to free trials and other promotional offers, gift card redemptions, credits applied, or changes in your subscription or Payment Method.

4.5 Cancellation and Refunds. You can cancel your subscription by logging into your Hulu account and following the instructions on your account page on the Hulu Site. See Section 4.9 for cancellation information if you pay for the Services through a third-party. You must cancel your subscription prior to 11:59 p.m. Eastern time on the day before your next recurring billing date in order to avoid being charged. If you cancel your subscription, you will continue to have access to the Service through the end of your current Billing Period. However, if you modify your subscription to switch from one Service to another Service during your Billing Period, you may not have continued access to your original Service. If you cancel, including if you switch your billing from Hulu to a third-party, you will also forfeit any service, referral, or redeemed gift card credits.

Payments are nonrefundable. If you cancel, modify your subscription, or if your account is otherwise terminated under these Terms, you will not receive a credit, including for partially used periods of Service. There are circumstances where Hulu may provide credits on a case by case basis. The amount
