Dear Ms. Ross,

I'd like to take this opportunity to thank you and all those we have dealt with at the FEC. I can't tell you when I've had such an overwhelmingly positive experience, especially with a government agency. My new Treasurer, Lynn Boniface, has nothing but good things to say and is quite pleased with the education and guidance your FEC supplies. It seems to me there is a unique attitude within your organization that needs replicating throughout the government. So, we'd just like to say thank you for everything. Like you, we like to sleep at night and we care about who we represent.

Most Sincerely,

Paul J. Romero Jr.
