Greetings Ms. Ross,

Here is my response to the information regarding this case MUR7762, Committee #COO739227 Complaint #SOTN00235 against Natisha Brooks.

First, I want to apologize for just now responding. I was informed that since this did not directly involve me I didn't need to respond and that this matter had been taken care of

Count 1: Illegal Collection of Campaign Donations

- This does not apply to me. I never received any funds. As the webmaster, my job was to recreate the site to better represent the candidate

Count 2: Improper Use of Campaign Donations

- Does not apply

Count 3: Withholding Mail and Resources

- Does not apply

Count 4: Withholding of Campaign Donations

- Does not apply

Count 5: Non-Disclosure of Expenses

- Does not apply

This is my response regarding these five counts, they are accurate to the best of my abilities. If there are any further questions please feel free to contact me via email

Sincerely,

Carmen M. Stephens
