MUR 7763

**DECLARATION OF CASPER WESLEY STOCKHAM**

1. My name is Casper Wesley Stockham. I reside in the state of Colorado, and I am over 21 years of age.
2. I make this declaration based on my personal knowledge.
3. My family's monthly income, as reflected on page 23 of my sworn Financial Disclosure Statement dated February 14, 2022, that I submitted to the Commission, includes \$2,900 per month that my wife and I receive as family support income from Integrated Life Choices.
4. Integrated Life Choices is an organization that provides support for individuals with intellectual and developmental disabilities and their caregivers in connection with state and federal waiver programs for home- and community-based services ("HCBS").
5. My adult daughter (age 37), Faith Stockham, has developmental disabilities that prevent her from living independently. Faith resides in our home and my wife, Cheryl Stockham, and I are her primary caregivers. Accordingly, we receive a Medicaid HCBS 1915 waiver which provides compensation for her care.
6. Our HCBS waiver is facilitated through Integrated Life Choices. Cheryl Stockham and I are registered service providers with Integrated Life Choices, from which we receive ongoing training and support.
7. As the primary support for my daughter, Cheryl Stockham contracts with Integrated Life Choices to receive family support income at 80% of the Colorado state rate for HCBS for individuals with development disabilities, which equates to approximately \$2,900 per month.
8. Cheryl Stockham and I use the \$2,900 per month my household receives from Integrated Life Choices for Faith Stockham's care and housing.
9. These payments are excluded from my household's taxable income under the Internal Revenue Code, 25 U.S.C. § 131.

I declare under penalty of perjury pursuant to 28 U.S.C. § 1746 that the foregoing is true and correct to the best of my knowledge. Executed on 3/25, 2022.
