This FEC complaint is being submitted against:

- Michele Fiore, Las Vegas Councilwoman, Ward Six (Las Vegas, Nevada).
- Las Vegas City Government (Las Vegas, Nevada)

On June 18th of the year 2020, Michele Fiore utilized municipal (local city) resources to advocate for the election of President Donald Trump (a registered Federal campaign).

In doing so, Fiore used the resources of the City and contributed to the campaign with an "in-kind" donation of:

- City Resources (lights, room, equipment - Estimate \$500-\$2000)
- A Paid City Employee (estimate \$80 wages)
- Public Advertising on her Facebook Page (estimate not available - comparable to digital advertising \$100-\$2000)

These are estimates that I have gathered and are only provided as an example and not a definitive amount.

Fiore also advocated for the election of a federal campaign using city resources here:

In my research, I have not been able to locate records of this in-kind contribution. It is also my understanding that the use of municipal resources for a Federal campaign is illegal. Fiore will have had knowledge of this, as she ran for Congress in 2016 (Registered as "Fiore For Congress").

I am digitally signing this complaint and urging the commission to investigate this matter, and to hold Fiore and the City accountable.

Signed,

Daniel Rolle
