RE: MUR 7766 Supplement  
Vensota Properties, Inc.

Dear Mr. Drake:

On February 3, 2021, your client was notified that the Federal Election Commission (FEC) received a complaint alleging violations of certain sections of the Federal Election Campaign Act of 1971, as amended (the "Act"). At that time, your client was given a copy of the complaint and information that a response to the complaint should be submitted within 15 days of receipt of the notification.

On February 5, 2021, the Commission received additional information from the complainant pertaining to the allegations in the complaint. This supplement includes a request to withdraw the complaint. Under 52 U.S.C. § 30109, the Federal Election Commission is empowered to review a complaint properly filed with it and to take action which it deems appropriate under the Act. A request for withdrawal of a complaint will not prevent the Commission from taking appropriate action under the Act and this matter remains open before the Commission.

Enclosed is a copy of this additional information. If you wish to consider this information in your response to the allegations, you are hereby afforded an additional 15 days to do so, or we will assume the previous response is also intended for this correspondence.

Any correspondence sent to the Commission, such as a response, must be addressed to **one** of the following (note, if submitting via email this Office will provide an electronic receipt by email):
