Subject: Extension request for response to complaint notification in MUR 7772 from Andrew Keys
Date: Friday, October 14, 2022 10:07:57 AM

Good morning Aaron – I’ve consulted with my client and would like to request a 30 day extension for the deadline to respond to the notification he received in connection with MUR 7772. It’s my understanding that he received that notification on October 4th, so if granted this extension would mean his response is due by November 18, 2022.

Please let me know by email if the Commission can agree to this request, or if you’d like to connect to discuss. Much appreciated.

Best,
Joe
