RE: MUR 7772  
AP Engineering, Inc.

Dear Mr. Ocasio:

On September 28, 2022, the Federal Election Commission notified your client, AP Engineering, Inc., of a complaint alleging that it had violated certain sections of the Federal Election Campaign Act of 1971, as amended.

On January 23, 2024, the Commission considered the complaint but there was an insufficient number of votes to dismiss as an exercise of prosecutorial discretion the allegations that your client violated 52 U.S.C. § 30122 by making a contribution in the name of another. Accordingly, the Commission closed its file in this matter.

Documents related to the case will be placed on the public record within 30 days. *See* Disclosure of Certain Documents in Enforcement and Other Matters, 81 Fed. Reg. 50,702 (Aug. 2, 2016). One or more Statement of Reasons explaining the Commission's decision will follow.

If you have any questions, please contact Lindsay Bird, the attorney assigned to this matter, at (202) 694-1314 or [lbird@fec.gov](mailto:lbird@fec.gov).

Sincerely,

*Mark Allen*
