Hi,

We write as counsel to ACRONYM, Courier Newsroom, Inc., and Tara McGowan (collectively, "Respondents") regarding the complaint in MUR 7789 (the "Complaint"). We have previously submitted designations of counsel for each of the Respondents.

The Complaint was received on September 10, 2020. The Commission extended the time for Respondents' response until October 26, 2020. Respondents respectfully request that time for their response be further extended until October 30, 2020, to provide a few additional days to finalize the responses. We appreciate the Commission's consideration of this request.

Please do not hesitate to contact us with any questions.
