Ms. Dennis

This is Roger Knight, representing Senator Tillis. Please explain the terms of the “day to day” tolling agreement. We will agree to toll the statute and extend time to answer for 60 days. As you know, Senator Tillis is in the middle of a campaign, the allegations arise from something that happened over six (6) years ago, and it is the purpose of the entity filing the complaint to cause Senator Tillis and his team a distraction during the campaign. Any time less than sixty days is simply unfair and biased, given the timing. Please respond with the terms of the tolling agreement. We will get the designation of counsel form to you as soon as the treasurer signs it.

I would have to ask for a day to day tolling in order to process any extension for this case. Please let me know if this is amenable and I will send you a tolling agreement for your clients. Also, can I get a designation of counsel. Thank you.

Kind regards,
