Re : MUR 7799
Monmouth County Republican Committee
V.
Stephanie Schmid, Stephanie For New Jersey and Jason J. Hinton

The Respondents, as identified above, provide the following response to the Complainant's allegations.

- A. Complaint Paragraphs 10-15, History of Disregard For Campaign Finance Law: The Complainant argues that this Committee "willfully disregarded" contribution limits based upon the reported donations in this Committee's relevant Quarterly Reports. In short, the Complainant argues that the Committee's own disclosure of potentially excessive contributions somehow suggests a lack of "Transparency" and a disregard for the Federal Elections Commission Act. To the contrary, nothing was hidden. And when contacted by the FEC with concerns, this Committee acknowledged that technology-based user errors occurred related to the reporting of contributions that were redesignated. Where this Committee missed the 60-day timeframe to re-designate the "excessive contributions," this Committee issued refunds. Similarly, committees that were not registered with the FEC and which failed to confirm that funds donated were from a "permissible source," were also issued refunds. As of the October 2020 Quarterly Report, this Committee will have reported approximately \$720,000.00 in total receipts over five quarters, since the beginning of the campaign in September 2019. Total Refunds related to either excessive contributions or contributions from organizations not registered with the FEC that were brought to the attention of this Committee by an RFAI will total \$2,965.00, or 0.004% of the Committee's total receipts. This represents a miniscule portion of the donations received by this committee over its lifetime. Nonetheless, this Committee takes these errors seriously. In order to avoid similar errors in the future, a new compliance software capability was added in July that enhances this Committee's ability to proactively identify potential compliance issues prior to reporting, and as such, the Committee will not have these errors going forward.
- B. After filing the July 2020 Quarterly Report and the 48-Hour Reports, this Committee became aware of several errors that were made within the report. In response, this Committee made the following self-initiated corrections in the interest of accuracy and transparency:

- 1- **Complaint Paragraphs 16-21, Itemization of Payroll:** This Committee discovered that its payroll records were not linked or “memoed” to recipients. Specifically, the payroll payments did not link to the employees and the payroll taxes did not link to the agency that collected the taxes. This was corrected without prompting from the FEC or any other entity, hence the submission of the Amended July Quarterly Report. This issue has been corrected in the Committee’s compliance software for all affected payrolls runs in order to amend prior quarters’ errant reporting.
- 2- **Complaint Paragraphs 29-38, Failure to File Timely 48-Hour Notice for Candidate Loan to the Campaign:** This was explained in this committee’s response to the Request For Additional Information (See Exhibit One). This Committee discovered that there was an internal misunderstanding as to the date on which the Committee received the Candidate’s loan. When the error was realized, this was corrected without prompting from the FEC and amended 48-Hour reports were filed by the Committee. A link to an article published on July 5, 2020, before the July Quarterly Report deadline, reports that the Candidate discussed this Campaign’s Quarterly receipts as of June 30th indicating that her loan to this Campaign occurred before the end of the 2nd Quarter. Her comments clearly demonstrate that the Candidate’s Committee was in possession of this loan before the end of the second quarter, and as such, further supports that the amended Second Quarter filing was necessary in order to accurately reflect when this Committee received the loan.
[\(https://www.insidernj.com/schmid-says-strong-fundraising-haul-speaks-her-momentum-cd4/\)](https://www.insidernj.com/schmid-says-strong-fundraising-haul-speaks-her-momentum-cd4/).

The committee’s self-corrective actions are evidence that the misreporting was not in “willful disregard” of FECA, and that providing the public with accurate information is of the utmost importance to the Committee. To not have corrected the filing to accurately reflect when the loan was received would have “willfully disregarded” FECA.

C. **Complaint Paragraphs 22-28, Itemization of Expenditures (Candidate Reimbursements):** The candidate received two lump sum reimbursements from the Committee for expenses incurred on behalf of the Committee over the course of two entire quarterly periods. These two reimbursement payments were associated with scores of expenses which were individually reported within the same Quarterly Report in which the reimbursement payments were made. In light of the quantity of underlying transactions associated with the reimbursement, the reimbursement payments were generally described, however, the underlying disbursements are provided with all required information including a meaningful and compliant “purpose” disclosure. The scores of referenced expenses were properly reported as memo items in the original End of Year Report. On page 109, the October 10, 2019, reimbursement for \$8,718.60 is reported. From page 109 – 121, the linked expenditures follow, each qualifying disbursement marked as a “memo” item. On page 121 of the same report, the December 23, 2019, reimbursement of \$3,659.64 is reported. From pages 121-129, the linked expenditures follow, each qualifying disbursement marked as a “memo” item. (See the original 2019 Year End Report attached as Exhibit Two). All expenditures advanced the interests of the campaign, and in no

way enriched the candidate. The report clearly shows that Complainant's charge that the Candidate misreported and improperly enriched herself is wholly false and fabricated.

Conclusion:

This Committee asserts that when taken in their entirety and in context, the errors do not amount to "dishonesty," failure to operate "transparently" or a "willful" failure to comply with the Federal Elections Commission Act. In fact, the errors forming the basis of this complaint were mostly corrected without prompting from the FEC or any other entity, showing a commitment to accuracy and transparency. It is the self-initiated corrections of this Committee in July 2020 that led to the inquiry of this Committee's filings, without which there would have been virtually no published indicators that errors were made, and as such, no Complaint. Accordingly, the Respondents respectfully ask that the Federal Elections Commission "take no further action" on this matter.

To the extent that The FEC disagrees and intends to proceed with further action, the Respondents are willing to enter into conciliation. The Respondents remain committed to accuracy and transparency and are willing to work with the FEC to fully demonstrate the same.

Respectfully submitted by Stephanie L. Schmid (Candidate) and Jason J. Hinton (Treasurer) on behalf of themselves and the *Stephanie For New Jersey Committee*,

Stephanie L. Schmid, Esq.

Stephanie L. Schmid, Esq.

Reports Analysis Division

From : Stephanie For New Jersey
Committee ID#: C00717611

Date : October 6, 2020

Re : Sept. 7, 2020 RFAI: Amended July Quarterly Report

Mr. Dobi:

Please find the point-by-point response to the above-mentioned Request For Additional Information, dated September 7, 2020.

1. Contributions from Possible Prohibited Entities:

A. Dora Radiology Associates Inc: Check received 06/28/2020 in the amount of \$300. The check was a corporate check. The check was refunded in July 2020 and will be disclosed in the October Quarterly filing.

2. Apparent Excessive Contributions from Individuals:

- A. Dauti, Adzi 6.26.2020 contribution of \$2800 was designated as the following: \$1,300 for the primary and \$1,500 was re-designated for the general. The July Quarterly filing will be amended to show this in preparation for the October Quarterly filing.
- B. Lessing, Sharon:
 - a. The RFAI Does not acknowledge the \$500 contributed on 3.30.2020, though it appears in Committee's software. With this contribution included, the following has occurred:
 - i. The 6.30.2020 contribution of \$500 was refunded. The 3.30.2020 contribution of \$500 was refunded. These will appear in the October Quarterly filing.
 - ii. The 6.30.2020 contribution of \$2800 was re-designated towards the General. The July Quarterly filing will be amended to show this in preparation for the October Quarterly filing.
- C. White, Pamela
 - a. The following contributions were received via Actblue and were errantly bulk uploaded as primary contributions. Upon learning of this error, these were designated to the General Election. The July Quarterly filing will be amended to show these changes.
 - i. 5.25.2020 for \$75
 - ii. 6.25.2020 for \$75
 - iii. 6.27.2020 for \$150
 - iv. 6.28.2020 for \$100

3. Contribution from Possible Unregistered Organization

A. Ocean County Democrats 6.18.2020 was refunded in 3Q. Committee was unable to secure proof of "permissible source of funds." This refund will appear in the October Quarterly Filing.

4. Amended 48-Hour Reports for Joint Fundraising Committee Activity

Committee acknowledges the guidance from the FEC. Treasurer entered the date received from the Joint Fundraising Committee as the contributions' date rather than the date the contributions were received by the Joint Fundraising Committee. Upon noticing the error, amended 48-hour Report filings were promptly submitted by this Committee, independent of agency prompting, in furtherance of the interests of accuracy and transparency.

5. Increased Reporting Activity Clarification

Per the RFAI's enumerated point number "5," increased reporting activity was provided in the Amended July Quarterly filing. In response to the Federal Election Commission's request for clarifying the circumstances surrounding the same, the following explanation is provided. The Treasurer was unaware that these receipts were initially received before the end of the quarter as they were in control of the Campaign Committee. The Committee's campaign staff is located in New Jersey while the Treasurer is located in Washington, DC. Accordingly, these receipts were not entered as 2Q receipts into the software, rather they were entered as 3Q receipts since the Treasurer became aware of them in 3Q. However, upon learning from the candidate and campaign manager that, in fact, these were initially received by the Committee before the end of 2Q, and after consulting counsel to confirm the propriety of amending both the July Quarterly filing and the relevant 48-Hour Report, the filings were promptly amended to accurately reflect the 2Q receipt date. Again, these corrections were self-initiated by the Committee in the interests of accuracy and transparency.
