Dear Mr. Jordan:

This response is submitted on behalf of Congressman Jim Hagedorn (“Respondent”) with respect to a complaint designated as MUR 7830 (“Complaint”) that was filed with the Federal Election Commission (“Commission”) by Tiffany Muller and End Citizens United, a left-wing organization that contributed \$20,000.00 to his opponent for the 1st Congressional District of Minnesota. This response is timely submitted within 15 days of receipt. For the reasons discussed herein, the Commission should determine on the face of the Complaint that no law or regulation was violated by Respondent, and that the Complaint should be promptly dismissed.

The Complaint alleges that Friends of Hagedorn, Congressman Hagedorn’s campaign committee, has used the Brett’s Building as its official address. That allegation is true. From 2013 through the present, Friends of Hagedorn has utilized 11 Civic Center Plaza (also known as the Brett’s Building), Suite 007, as a mailing address. It corresponds strictly to a United States Postal Service (“USPS”) Post Office Box and not a physical address with office space. Keys for the Post Office Box were received by Friends of Hagedorn from the USPS, and the Brett’s Building owner never charged anyone or any entity for mailbox use over a period of 26 years. By no fee being levied, Friends of Hagedorn was treated the same as every other user of Post Office Boxes. Therefore, there was no violation of 11 CFR § 110.52 or any other provision of federal law or regulation.

The Complaint also alleges that Friends of Hagedorn purportedly incurred less than \$200 after renting the space roughly eight months. Friends of Hagedorn utilized unfurnished basement space in the Brett's Building from March 2018 thru November 7, 2018. The owner said the fair market cost for the space was \$100.00 and, accordingly, Friends of Hagedorn made that payment in October 2018. Friends of Hagedorn's understanding is that in late summer of 2019 that basement space was refurbished and leased to a full-time tenant at a nominal price. Therefore, there was no violation of 11 CFR § 110.52 or any other provision of federal law or regulation.

This Complaint should be immediately dismissed with prejudice. Please do not hesitate to contact me should you have any additional questions.

Very truly yours,
