Christal,

Please refer to the attached letter. As you can see, once it was recognized that our contribution to AWF was inappropriate, they refunded the entire amount.

Best Regards,

Dear Mr. Gagnon:

We represent American Working Families (AWF), a federal independent committee. Last August Excel Dryer, Inc contributed \$10,000 to AWF.

A recent news report was brought to our attention that a complaint was being filed with the Federal Election Commission alleging that Excel Dryer is a federal government contractor. If this is true, we were unaware that Excel Dryer is a federal government contractor.

AWF is prohibited by law from accepting contributions from federal government contractors. Absent of an affirmative statement from Excel Dryer, Inc stating that it is not a federal government contractor, we must assume the opposite is true -- and refund your contribution.

Please find enclosed a refund check for \$10,000, equal to your contribution from last August.

Sincerely,

Neil Reiff
