The purpose of this letter is to file a complaint against Becchi for Congress FEC ID C00711572. Jamie Montgomery Consulting LLC was an independent consultant hired for fundraising purposes from July 2019 through May 31, 2020. Becchi for Congress still has an outstanding invoice owed to Jamie Montgomery Consulting LLC dated May 26, 2020 in the amount of \$6,185. This invoice remains unpaid despite numerous attempts both verbally and in writing to rectify the outstanding invoice.

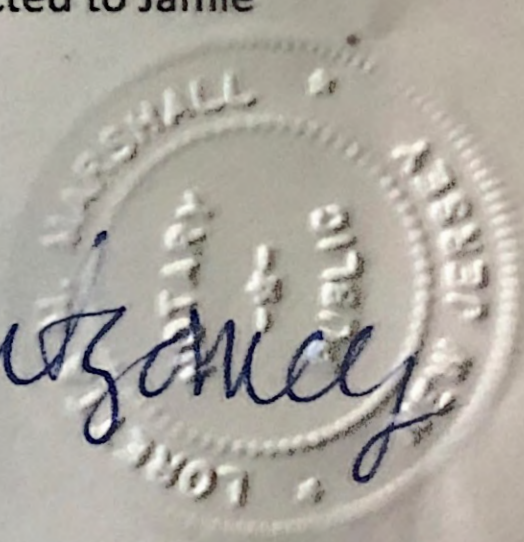

Additionally the invoice is not listed as outstanding debt on the financial filings reported including the latest report filed October 15, 2020. This debt has not been forgiven nor paid, therefore it should be listed as outstanding debt on the report filings by this committee. Furthermore, there has been no attempt to resolve the outstanding obligation owed to Jamie Montgomery Consulting LLC; it has simply been ignored and as previously stated not reported as debt as they as legally required.

Per the requirements to file a complaint, this letter is notarized below. There will be a copy emailed as well per instructions. Any further questions or information can be directed to Jamie Montgomery at the above address or phone number of 856-296-1796.

Thank you for your attention to this matter.

Sincerely,
Jamie Montgomery
