RE: MUR 7869

Dear Mr. McDonald:

On August 10, 2021, the Federal Election Commission reviewed the allegations in your complaint dated January 12, 2021, and found that on the basis of the information provided in your complaint, and information provided by the respondents, there is no reason to believe that Facebook, Inc., violated 52 U.S.C. §§ 30116(a), 30118(a) by making excessive or prohibited in-kind corporate contributions or violated 52 U.S.C. §§ 30104(c)(1), 30120(a) by failing to report or provide required disclaimers on independent expenditures. The Commission also found no reason to believe that Biden for President and Andrea Wise in her official capacity as treasurer violated 52 U.S.C. §§ 30116(f), 30118(a) by knowingly accepting or receiving prohibited corporate or excessive contributions. Accordingly, on August 10, 2021, the Commission closed the file in this matter.

Documents related to the case will be placed on the public record within 30 days. *See* Disclosure of Certain Documents in Enforcement and Other Matters, 81 Fed. Reg. 50,702 (Aug. 2, 2016). The Factual and Legal Analysis, which explains the Commission's findings, is enclosed.
