Mr. Hardy,

I am just following up to make sure we both have the same understanding in reference of the response for USC and the Institute. Will you be sending an email or short letter stating the response written on April 16, 2021, is to include the Institute and the University? The email you sent yesterday just states you are counsel for the entities.

Kind regards,
Christal Dennis

Mr. Hardy,

Thank you for the responses. Are you counsel for the Institute and USC as well or will your respondents Mr. Davis and Ms. Folt be sending in a response on behalf of the entities? Thank you for your time and assistance.

Kind regards,

Dear Ms. Dennis:

The attached letter responds to the complaint filed by Mr. Stone against the five named Respondents in the above referenced matter. As discussed therein, none of the activity described in the complaint is subject to the jurisdiction of the Federal Election Campaign Act. Accordingly, the Federal Election Commission should dismiss the complaint in its entirety and take no further action in connection with this matter.

We appreciate your review and expect there will be no need for further correspondence regarding these unfounded claims. However, we would be happy to discuss any of these issues or provide additional information. Please contact us if you have any questions.

Sincerely,

Nathan
