Subject: Request for Extension on MUR 7905
Date: Tuesday, June 8, 2021 12:07:30 PM

Dear Ms. Christal Dennis,

I would like to ask the Office of Complaints Examination & Legal Administration for an extension on complaint number MUR 7905. The letter from the FEC is dated May 18th, my previous legal counsel received it in another state, Utah, on May 24th. I did not personally receive it until June 2nd, when it was nearly lost in the mail.

My correct mailing address is:
Robert Lucero (American System Group)

Culver City, CA 90232

Could we have an extension that is based on my receipt date of June 2nd?

Thank you for your time and consideration.

Sincerely,
Robert Lucero
