Yes. MSNBC is a division of NBCUniversal and our correspondence and responses will be on behalf of NBCUniversal addressing any issues relevant to it and MSNBC.

When you have a chance, can you confirm that the October 15 response date is acceptable?

Best,
Charlie

Thank you for the designation of counsel. Can you please confirm for me, that as the umbrella company for MSNBC, we should consider all correspondence and responses from NBCUniversal to serve as responses for both MSNBC and NBCUniversal?
