Dear Mr. Keays:

The Center for Tech and Civic Life ("CTCL") and Tianna Epps-Johnson received the notifications, dated December 8, 2021, and January 6, 2022, that a complaint has been filed against CTCL. As we discussed, Jessica Robinson and I did not receive notification of the original or supplemental complaint until Thursday, January 6. Thank you for reaching out to us to confirm delivery. In light of this delay and the volume of materials accompanying the complaint that require review, we request an extension of time to respond until February 22, 2021.

We have provided designations of counsel with this submission. If you have any questions or need additional information, please do not hesitate to contact one of the undersigned.

Very truly yours,

B. Holly Schadler
Jessica Robinson
