MUR 7955**Stanley Kuback****January 27, 2022**

Office of General Counsel
 Federal Election Commission
 1050 First Street, NE
 Washington, DC 20463

To Who It May Concern:

I am writing to file a complaint regarding Congressional candidate **Joe Kent** and his campaign committee, **joekentforcongress.com, PO Box 2133 Battleground WA 98604-4687** for possible violations of federal campaign laws regarding campaign advertising policy here in Washington State.

Specifically, Paragraph one of 42.17.510 of the Revised Code Of Washington clearly states that "The party with which a candidate files shall be clearly identified in political advertising for partisan office." My complaint is that the Yard signs and website information for Joe Kent do not display the candidate's party. This causes confusion over determining the candidate's party affiliation. I think that since Mr. Kent is running for a Congressional seat, he should have to run his campaign according to current requirements and law.

I have attached materials relating to this complaint and I appreciate your attention and assistance with this matter. You may contact me at any time for questions you may have.

Sincerely,

Stanley E. Kuback
