

Memo

TO: Christal Dennis at Complaints Examination and Legal Administration & the FEC

FROM: Salem For Congress; Salem Snow, Zane Knight

DATE: 3-31-22

SUBJECT: Request For Extension

I am writing to inform you that we are seeking a 30 day extension to respond to complaint MUR 7963 submitted by Edward Harkins.

As we are a small grassroots campaign with limited resources, we need more time to adequately respond to the aforementioned complaint.

Please let me know if you have any questions or concerns. I appreciate your patience and cooperation as we seek to thoroughly and adequately address this frivolous complaint.

Respectfully,

Salem Snow
