MUR 7986

Office of General Counsel
Federal Election Commission
1050 First St, NE
Washington, DC 20463

To whom it may concern:

This complaint demonstrates that Nathan Magsig, candidate for Congress to California's 5th Congressional District, knowingly accepted, deposited and expended federally prohibited contributions from registered corporations with California Secretary of State to his federal campaign committee, Magsig for Congress, FEC ID C00797639.

52 USC § 30118(a) and 11 CFR § 114.2 Prohibitions on contributions, expenditures and electioneering communications.

(a) National banks and corporations organized by authority of any law of Congress are prohibited from making a contribution, as defined in 11 CFR 114.1(a), in connection with any election to any political office, including local, State and Federal offices, or in connection with any primary election or political convention or caucus held to select candidates for any political office, including any local, State or Federal office. National banks and corporations organized by authority of any law of Congress are prohibited from making expenditures as defined in 11 CFR 114.1(a) for communications to those outside the restricted class expressly advocating the election or defeat of one or more clearly identified candidate(s) or the candidates of a clearly identified political party, with respect to an election to any political office, including any local, State, or Federal office.

Based on corporation filings with the California Secretary State the following 16 registered corporations gave contributions to the Magsig for Congress committee, that were reported in the Year-End 2021 and April Quarterly 2022 reports:

According to the FEC website, "A campaign is prohibited from knowingly accepting any contributions from prohibited sources." Based on Magsig for Congress own financial reports they knowingly solicited and accepted prohibited corporate contributions.

According to 11 CFR 103.3 (b)(1) and (2), it is the responsibility of the treasurer to make the immediate remedy of refunding the prohibited contributions. We also ask that the Federal Elections Commission explore the possibility of taking further legal action against the committee, due to the number of prohibited contributions which is a flagrant violation of the clear and unambiguous prohibition of corporate contributions to a federal candidate campaign committee.

Your immediate attention is necessary in rectifying the illegal contributions being received by the Magsig for Congress committee. I am affirming that to the best of my knowledge under penalty of perjury that this information I have stated is accurate.

Sincerely,

 Charles Dudek
