United States Federal Commission

SUBJECT: Response to MUR #7988

As of the first quarter filing date of 2022 there was no obligation to file with the FEC as the Severino for Congress campaign, didn't spend or receive the five-thousand-dollar (\$5,000.00) requirement/threshold to ignite a responsibility of compliance to declare any contributions. This response is not intended, nor should it be construed as acquiescence of any obligation owed.

Attached, is the FEC report filed/amended to reflect my candidacy in the 2022 midterm election. Prior to that period and beyond the first quarter of 2022s filing deadline our campaign didn't raise the \$5,000.00 prompting a responsibility to file any declarations. Our focus prior to the first quarter filing date was getting signatures to be placed on the ballot.

In 2020 I attempted to get on the ballot in a three-week period with no success and the photos collected from my Facebook account that were submitted in this MUR complaint are not reflective of any contributions either monetarily or in kind. Merely, I was just introducing myself to the community for my future run.

This genesis of this MUR complaint is HARASSMENT from BRAD SCHNEIDER a sitting congressman whose ballot access is being appealed as he didn't circulate his petitions legally and swore to a FALSE statement of candidacy with the Illinois election board (case attached). Preceding this complaint, a preemptive story was fed to local reporter RUSSELL LISSAU who reported it was "Strange" that there was no filing to the FEC. Therefore, weaponizing the media and using the FEC process as a weapon against a political opponent. Additionally, In retaliation the individual DANIEL SCHACK, who notarized BRAD SCHNEIDERS false petition in concert with others, notarized/filed a false MUR complaint with the complainant. DANIEL SCHACK, is a local career politician with Northfield township and works with and was endorsed by Brad Schneider. Photos of their relationship attached.

Complainant MARK ROSENBERG, not only doesn't live at the address given in this complaint he's a close friend of BRAD SCHNEIDER (who I'm running against). I am attaching a Facebook photo as evidence.

I'm going to be perusing civil litigation against the aforesaid individuals as I believe they went beyond the course and scope of their employment and exceeded the bar of malicious intent to defame a public figure.

Severino began campaigning for the post in 2020, and his lack of fundraising is anomalous. Most suburban congressional candidates this cycle have raised and spent tens of thousands of dollars by now -- and some much more than that.

"This is not a serious candidacy," said campaign expert Kent Redfield, professor emeritus of political science at the University of Illinois Springfield.

Redrawn for the 2022 election, the 10th District includes parts of Cook, Lake and McHenry counties Congressional candidates must file quarterly financial reports with the FEC once their campaigns collect or spend at least \$5,000. First-quarter reports covering Jan. 1 through March
