Re: MUR 7993

Dear Mr. Luckett:

My office is in receipt of your letter dated May 3, 2022, regarding the complaint filed against Canning for Congress. The complaint purports that contributions made by a donor named Carlos Joly were illegal due to his alleged status as a foreign national. Mr. Joly is a United States citizen and kindly provided his United States passport to us as proof of this fact. You will find a copy of said documentation attached hereto.

Please contact my office with any questions.

Sincerely,

Shawnda Deane
Canning for Congress, Treasurer
