In response to the complaint:

1. Tomi Lahren never endorsed Claire Wirth. Any relationship is a personal matter, Claire is a fan of Tomi's and frequently shares her content.
2. The Boone County Republican Party's Christmas Gala tickets were reported to the FEC. The van used as transportation held 10 people and had extra space available, no cost or in kind donation applied.
3. On October 10, 2021 Claire paid Carl Rogers for a few homemade shirts, not relating to Mrs. Wirth's campaign. Carl Rogers did not start working for Claire until April 2022.
4. Reported disclaimer was worded by the local paper. The disclaimer "Paid for by Candidate" offers no ambiguity.
5. Facebook bans the sale of pages, the abandoned page had no monetary value.

Furthermore, Theodore Roberts 'T.J. Roberts' works for the Thomas Massie campaign. He has continually harassed Mrs. Wirth and at one point even surrounded her with four other grown men screaming in her face. He has made derogatory remarks about her looks and even made flyers which he passed out at every event she attended. This complaint is not surprising.

Thank you,

Claire Wirth
