**MUR 7998: Response of Ohioans for JD Vance**

To Whom It May Concern:

Ohioans for JD Vance is a joint fundraising committee. The complaint in MUR 7998 states (correctly) that it is “one of the other committees/PACs supporting [JD Vance’s] candidacy,” and speculates (incorrectly) that it “possibly . . . controlled the distribution of at least one of Fox’s news stories,” but does not allege any disbursement Ohioans for JD Vance made or other action it took that, if true, would constitute a violation of the Act. There is, therefore, nothing in the complaint for Ohioans for JD Vance to respond to. On behalf of Ohioans for JD Vance and its treasurer, Lisa Lisker, I urge the request the Commission to dismiss the complaint and close its file in this matter.

Sincerely,

Chris Ashby
