Subject: Response to MUR 8015
Date: Monday, August 1, 2022 8:31:35 AM

Ms. Dennis,

My name is Patrick Krason and I am the Treasurer for Dr. Sherry O'Donnell for Congress (C00790485).

I would like to take a moment to thank you for your patience as you waited for a response to this MUR. I also want to note that at this time the campaign is not retaining counsel for this matter, but retains the right to do so if deemed necessary in the future.

It is the belief of the campaign that this complaint was filed in bad faith for harassment purposes by a supporter of Dr. O'Donnell's opponent as evidenced by publicly available evidence including previous complaints filed with the FEC at least as far back as 2018 by the same gentleman against challengers to Congressman Walberg. The campaign takes its responsibility to accurately and fully comply with all FEC regulations and federal campaign finance law seriously and will comply with all necessary procedures to bring this matter to a resolution,

It is the belief that the campaign has properly reported all information in its possession and is using FEC described "Best Efforts" measures including phone calls, emails, and letters to gather the required missing information so that we can amend previous reports and be fully compliant.

It is the belief of this campaign that the FEC, in its oversight role, is properly monitoring the campaign. The FEC has issued a RFAI due August 16th covering most, if not all, items covered in this complaint. The campaign committee will fully respond to the RFAI and amend reports as necessary to provide missing information, when possible, no later than the RFAI due date of 08/16/2022.

The campaign believes this MUR is being handled properly via the RFAI process and ask that this matter be closed without further action.

Please do not hesitate to reach out with any further questions or concerns.

Thank you.

Sincerely,
Patrick Krason
Treasurer
