Re: MUR8016 – Mt. Vernon Printing Company/RR Donnelley

Dear Mr. Luckett:

I am writing in response to your June 23, 2022 letter to Mr. David Goldscher, President of Mt. Vernon Printing Company. By way of this letter we request that no action be taken against Mt. Vernon Printing. Mt. Vernon Printing Company is owned by RR Donnelley, a Fortune 500 commercial printing company that provides print and mail services for many types of customers and products.

The print piece referenced in the Complaint is an item that we printed for a customer, GDS Wins. Neither Mt. Vernon Printing or RRD is in any way part of or related to GDS Wins, any political party, candidate, PAC or consulting firm. Our role was only to provide printing and mailing of the item. To perform the printing, we used the content and artwork provided by GDS, we then added the union label and indicia, addressed the item and then entered the item into the United States Postal System.

If you have any questions or would like to discuss this further please feel free to call me.

Please know that we take compliance with the law seriously. If further action is required on your part as it relates to Mt. Vernon Printing or RR Donnelley we respectfully request an opportunity to respond further.

Very truly yours,

Mary Beth Tighe  
Vice-President & Associate General Counsel  
RR Donnelley
