**Re: RR 21L-71  
Workers Vote**

Dear Mr. Lockett:

I am writing on behalf of respondent Workers Vote to request a brief further five-day enlargement of time within which to respond to the December 17 referral from February 3 to February 8, 2022.

Some additional and unexpected professional commitments at my end have rendered impractical our submission of a response by tomorrow, and as expected all pertinent personnel have been similarly occupied, including with year-end reports to the Commission. The requested enlargement of time will have no practical bearing on the operation of the statute of limitations in this matter, as the referral concerns compliance with the Federal Election Campaign Act of Forms 3X that have been submitted since October 15, 2020.

Accordingly, Workers Vote respectfully requests that this brief further and final enlargement of time to respond be granted. Thank you for your consideration.

Yours truly,

Laurence E. Gold
