Subject: MUR No. 8058 - Request for Extension
Date: Wednesday, October 5, 2022 5:01:16 PM

To the General Counsel's Office

On behalf of respondents SQI Limited, LLC, Herzog Contracting Corp., Herzog Transit Services, Inc., and Herzog Technologies, Inc., in the above-referenced matter, we request one additional 30-day extension to file a response from the deadline of October 12, 2022. We are continuing to conduct an internal review of all matters raised in the complaint and to gather relevant background facts and information from our clients to thoroughly prepare a response. We do not anticipate requiring any further extensions beyond this one. The brief requested extension of time will have no practical bearing on the operation of the statute of limitations in this matter. Please advise if the request is granted, and we will plan accordingly. Thank you for your consideration.
