Re: VTDigger Response to FEC MUR 8065 Complaint Supplement

Dear Attorney Luckett:

VTDigger responds to your letter dated October 12, 2022 regarding the supplemental information filed by complainant Cris Ericson. I am VTDigger's designated representative.

The supplemental information mentions a September 8, 2022 debate that was addressed by VTDigger in its response and declaration dated and filed on October 5, 2022. VTDigger reiterates that response here.

Otherwise, the complainant's supplemental information does not, in any manner, involve VTDigger. Rather, the supplemental information relates to other entities. On its face, the supplemental information has nothing to do with VTDigger.

Neither the original complaint, nor the supplemental information filed in MUR 8065, establish that VTDigger committed or was involved with any violation. No further action is warranted. MUR 8065 should be dismissed.

VTDigger looks forward to this matter's prompt resolution. Please let me know if we can provide any further information.

Sincerely,
